

***Permissive Change Class II request letter for FCC, USA***

*To whom it may concern,*

*Subject: Addition of model without GPS Module*

*We, Deeper, UAB, would like to add a variant on the grant with FCC ID: 2AHKO-PRO (Grant date 05/24/2016).*

*Reason for class II permissive change is a depopulated version without GPS Receiver*

*This modification is only concerned removing the GPS Receiver; neither circuit design nor main function and RF parameters has been changed.*
