## 1.Introduction

Congratulations, and thank you for choosing the Cosmos Bluetooth Headphones. This manual will help you operate the Cosmos Bluetooth Headphones, but you should first familiarize yourself with the Bluetooth functionality of your mobile phone or other device before using the Cosmos Bluetooth Headphones.

### Safety Rules

- |   |                                                                                                                                                                                                       |
|---|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | Please follow the rules depicted in this manual closely to ensure your safety. Before using these Bluetooth headphones, we would strongly encourage you to read through this user manual.             |
| 2 | Be wary of any edges, uneven surfaces, metal parts, accessories and its packaging to prevent any possible injury or damage.                                                                           |
| 3 | Do not modify, repair or dismantle these headphones. Doing so may result in fire, electric shock, complete breakdown of these Bluetooth headphones, etc. All of which are not covered under warranty. |
| 4 | Do not use any diluent or volatile liquid to clean the Bluetooth headphones.                                                                                                                          |
| 5 | Do not use the Bluetooth headphones in a hazardous location.                                                                                                                                          |

Turn off	Press and hold the On / Off Button for 3 seconds until the LED indicator turns off.
Charging	Plug the Micro USB into the  port.
Answering a Call	Press the On / Off button to answer phone calls, press the On / Off button again to end calls.
Play / Pause Music	Press the On / Off button to play music and press it again to pause music.

## **4.2. Pairing to a mobile phone or other device**

To use your Bluetooth headphones, you must first pair your headphones with a phone or a computer. Once your Bluetooth headphones are paired to a specific mobile device, they will remain paired and automatically recognize each other whenever they are within range.

### **Pairing to a Bluetooth Enabled Mobile Phone**

- Turn on your phone and ensure the Bluetooth function is activated.
- Turn on the headphones, enter the pairing mode.
- Search the Bluetooth devices on your phone by following the phone's instructions. Refer to your phone's user manual for more information.
- After a few seconds the phone will list the "DEHP-1200BT" as a discover device. Select it and follow your phone's instructions to select this pairing.
- You can play music, watch TV shows / movies, and play games with your device, with all of the sound coming from the headphones.

### 4.3.Charging your headphones

Use the Micro USB cable provided with these headphones. Connect the Micro USB plug to the Micro USB charging port on the headphones positioned at ① in headphones diagram on page 2. Connect the USB plug to a USB port on a computer or wall adapter to activate charging.

**\*\*Make sure to keep the headphones charging for a minimum of 6 hours before initial use.**

#### **Warning:**

- You must select a qualified charger from a regular manufacturer.
- You must charge the Bluetooth headphones if it has been not used for more than 12 months.

## 5.Product Specifications

Driver Diameter	40 mm
Frequency Range	20 Hz - 20 KHz
Sensitivity	110 dB
Impedance	32 ohm +/- 10%
Bluetooth Version	2.1
Power Supply	Lithium-ion Battery
Voltage	3.7V
Receiver Distance	≤32.8 Feet
Charging Time	3 Hours
Standby Time	50 Hours

**Rechargeable Li-ion Battery**

## 6.FAQ

**1. Why is there no power even when the Headphones are turned on?**

**Ans:** Ensure the battery has been charged up to 6 hours for initial use.

**2. There is no sound during playback.**

**Ans:** Check the connection between the headphones and the phone or computer, if the connection is not established, please connect again. Make sure the headphones are paired with your Bluetooth enabled device.

**FCC Caution:**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
