Confidentiality Request

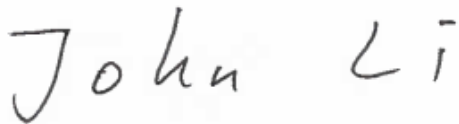

To Whom it may concern:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Nitetronic Shanghai requests that the following documents regarding this submission for FCC ID: 2AHME-GN026000 be kept confidential:

Exhibit Type	File Name
Block Diagram	Block Diagram.pdf

BOM	BOM.pdf

Those documents contain detailed system and equipment description and related information about the product which Nitetronic Shanghai considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Nitetronic Shanghai considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Signatory
