Subject: Request of Class II Permissive Change
Juicero Inc
FCC ID: 2AHQBJ150-00020

To Whom It May Concern:

This application is for a Class II permissive change for the use of the Juicero 'Radio Module' with FCC ID 2AHQBJ150-00020 utilizing Juicero's external antenna, part number 160-00011.

The external antenna is being changed from the PCB chip antenna from the original grant to a cabled external antenna.

No changes are being made to the module. This includes the software, the hardware, the bill of material, the schematic, the block diagram, the theory of operation, and all operational parameters.

Tests were performed with the 'Radio Module' and external antenna to show compliance with the Original Grant conditions.

If you have any questions or comments, please do not hesitate to contact me.
