

**900MHz Wireless Barn Camera**

Model: RS900

FCC ID: 2AHRS-RS900

IC: 21282-RS900

Rating: 2A, 12V

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**Rosgol-Rostech Technologies Inc.**

**900MHz Wireless Barn Camera**

Model: RS900-2812

FCC ID: 2AHRS-RS900

IC: 21282-RS900

Rating: 2A, 12V

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**900MHz Wireless Barn Camera**

Model: RS900-2812HD

FCC ID: 2AHRS-RS900

IC: 21282-RS900

Rating: 2A, 12V

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**Rosgol-Rostech Technologies Inc.**

**900MHz Wireless Barn Camera**

Model: RS900-550

FCC ID: 2AHRSS-RS900

IC: 21282-RS900

Rating: 2A, 12V

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**Rosgol-Rostech Technologies Inc.**

**900MHz Wireless Barn Camera**

Model: RS900-550HD

FCC ID: 2AHRSS-RS900

IC: 21282-RS900

Rating: 2A, 12V

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
