## **Attestation Letter**

To whom it may concern:

This is to request a Class II permissive change for FCC ID: 2AHSE-2045, originally granted on 9/14/2016.

The major change filed under this application is:

- Adding 2nd source crystal for WiFi, with an identical electrical rating and pin-to-pin compatible with main source.
- Tune-up power: 2.4GHz Maximum Transmit Powers of 802.11 b/ g / HT20 modes are reduced for CH1 & CH11

Sincerely yours,

Kathryn Latham
