

**Product: NCSP3 Display  
Commander**

**Brand Name: iN • Command**

**Model Number: NCSP3DC**

## Internal Photograph

(1) EUT Photo

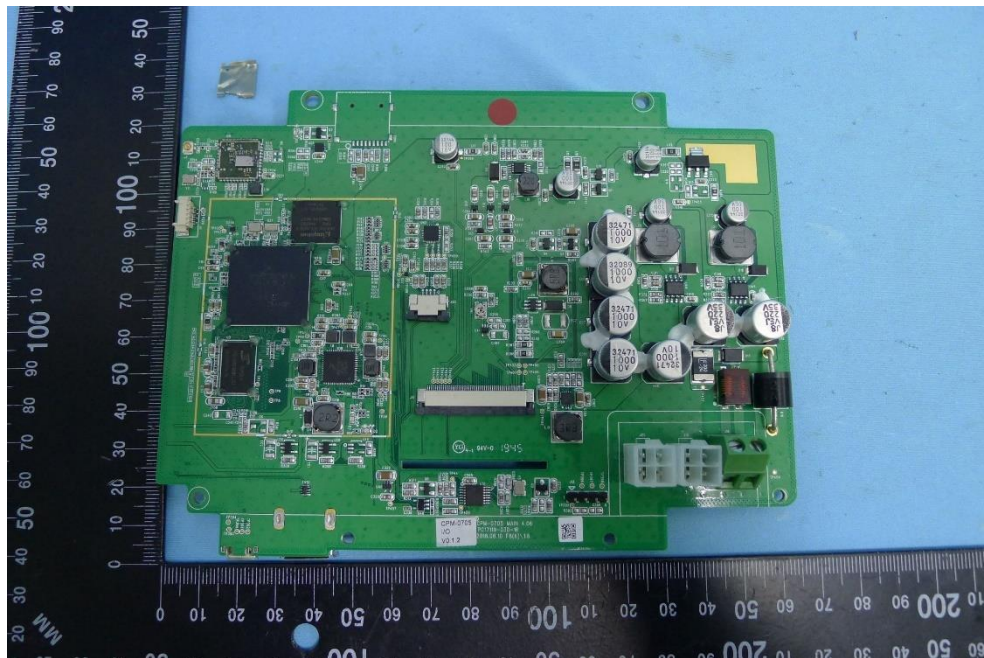

(2) EUT Photo

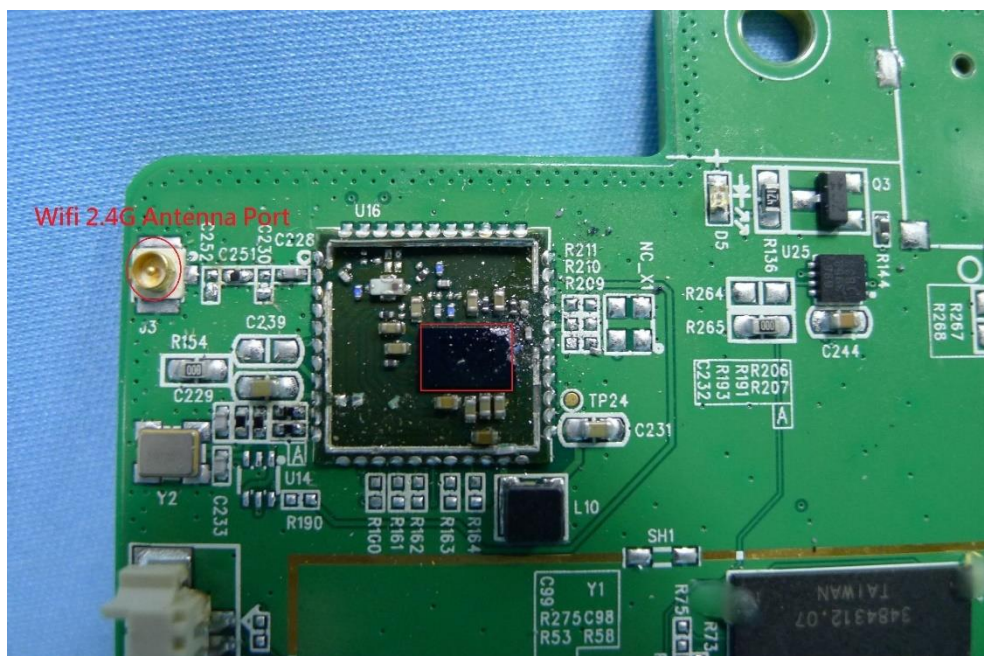

A photograph of a green printed circuit board (PCB) with various electronic components. The board is rectangular with a complex layout of traces and pads. Key components include a large central microcontroller or processor, several integrated circuits (ICs) of different sizes, and various passive components like resistors and capacitors. There are also connectors, including a USB port and a smaller connector. The board is placed on a blue surface next to a black ruler with white markings in centimeters and millimeters. The ruler shows the board is approximately 100mm wide and 60mm high.
