

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

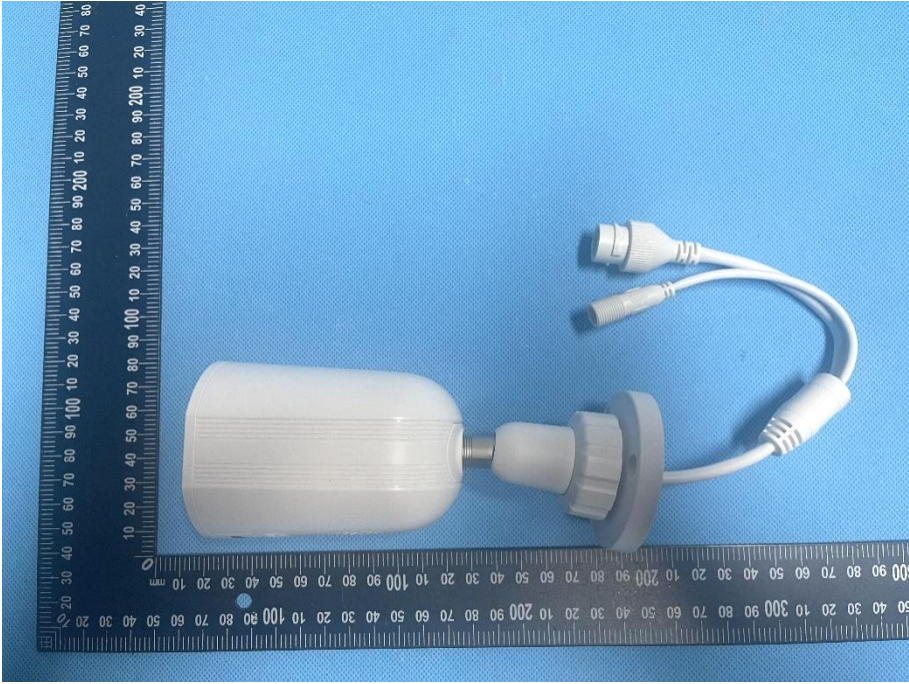

EUT View 1	 A photograph of a white, cylindrical electronic device (EUT) with a speaker grille, a power adapter, and two cables, placed next to a ruler for scale. The device is positioned vertically, and the ruler is placed horizontally to its left. The power adapter is a small, white, rectangular unit with a coiled cable. The two cables are white and have different connectors. The background is a solid blue surface.
EUT View 2	 A photograph of the same white, cylindrical electronic device (EUT) and its accessories, placed next to a ruler for scale, showing a different angle. The device is positioned vertically, and the ruler is placed horizontally to its left. The power adapter and cables are also visible. The background is a solid blue surface.

EUT View 3

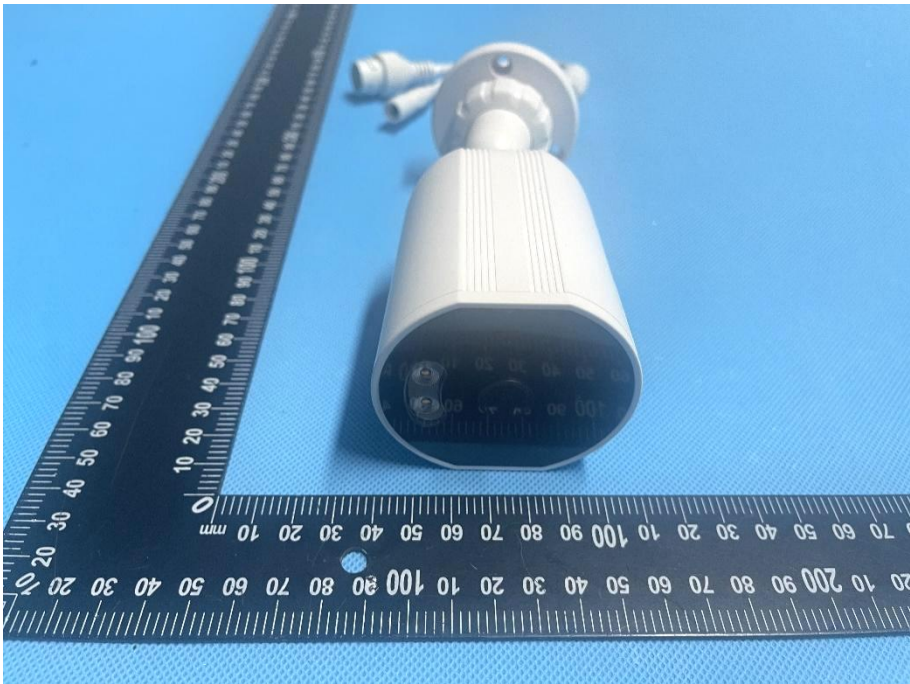

EUT View 4

EUT View 5	 A photograph of a white, cylindrical electronic unit (EUT) lying horizontally on a blue textured surface. A black ruler with white markings is placed vertically to the left of the unit, showing measurements in centimeters and millimeters. The unit has a cable attached to its side, which ends in two different types of connectors. The unit itself has a slightly tapered shape with some horizontal ridges.
EUT View 6	 A photograph of the same white, cylindrical electronic unit (EUT) from a different angle, lying horizontally on the same blue textured surface. The black ruler is again placed vertically to the left of the unit for scale. In this view, the cable and its connectors are more prominent, showing the unit's profile and the connection points.
