A white, rectangular Viptela Edge 100m network device is shown against a blue background. The device features a grey rectangular label on top with the Viptela logo and name. A small white label with a barcode is on the right side. The front panel has a dark horizontal slot and a row of status LEDs. A yellow ruler is placed horizontally below the device, showing measurements in centimeters and millimeters. Another yellow ruler is placed vertically to the right of the device, showing measurements in centimeters.
