 <p>AT&T True Wireless NI Bluetooth Earbuds Black</p> <h2>USER GUIDE</h2>	<p>What's Included In This Box:</p>  <p>1</p>	<p>Product Functionality Guide</p>  <p>2</p>	<p>Basic Use Guide</p> <p>Power & Connection</p> <p>To Get Started, You Must First Power On And Pair Your TWS Earbuds To Your Bluetooth Device. Ensure That Desired Device Is Bluetooth Capable</p> <p>1. Power On TWS Headsets</p> <p>Method 1: Remove Earbuds From Charging Case, Earbuds Automatically Activate / Turn On, Method 2: Long Press MFB For 3 Seconds</p> <p>The earbuds will power on and then enter Bluetooth Pair Mode automatically - LED indicator will flash alternately between white and green</p> <p>2. Turn On Bluetooth On Desired Pair Device and select "ATTW".</p> <p>Note that Bluetooth Pair Mode lasts a maximum of 3 minutes.</p> <p>ATT TWS Earbuds remember previously connected devices. When turned on, by default, the TWS earbuds first attempt to connect with previously paired devices.</p> <p>ATT TWS Earbuds will terminate their connection and turn off if out of range of connected device for a period of over 3 minutes.</p> <p>3</p>	<p>Power Off</p> <p>Method 1: Place earbuds in charging case, earbuds will automatically turn off</p> <p>Method 2: Long Press MFB for 5 Seconds</p> <p>Answer Incoming Calls:</p> <p>Double Press Left or Right Earbud MFB</p> <p>Ends Calls:</p> <p>Double Press Left or Right Earbud MFB</p> <p>Decline Incoming Call:</p> <p>Long Press Left or Right Earbud MFB for 2 Seconds</p> <p>Voice Assistant One Touch Key:</p> <p>Triple Tap Quickly Left or Right Earbud MFB</p> <p>Music Mode:</p> <p>Play/Pause: Double Press Left or Right Earbud MFB</p> <p>Previous Song: Long Press LEFT MFB Earbud for 2 Seconds</p> <p>Next Song: Long Press RIGHT MFB Earbud for 2 Seconds</p> <p>Charging Case:</p> <p>Use the included Type C to C cable to charge your TWS earbud case. If included cable is not available, use a certified UL or ETL charger to avoid battery degradation or malfunction</p> <p>When case is charging, you will see a battery meter flashing on the front display - once fully charged, the light will remain steadily illuminated</p> <p>4</p>
<p>Restore Factory Settings:</p> <p>If you wish to restore all settings on TWS Earbuds, including previously stored bluetooth device pairings, you can do so by simultaneously long pressing both LEFT AND RIGHT MFB's on each earbud FOUR TIMES. Once reset, the LED indicator will flash 3 times on the earbuds, then earbuds will shut down</p> <p>After a master reset to restore to factory settings, you will then need to re-pair any devices with TWS headsets, following the procedures above in Page 3 of this guide</p> <p>Specifications</p> <p>Bluetooth Version: V5.4 Wireless Working Range: 10m (without obstacles) Earbuds Battery: 35mAh Charging Case Battery: 380mAh Play Time: about 6h (60% vol.) Talk Time: about 4h Case Charging Time: about 1.5h Speaker Size: Ø13mm² Input Voltage/Current: DC 5V/1A USB Port: Type-C</p> <p>5</p>	<p>Warnings:</p> <p>Please carefully follow instruction guide to use this product.</p> <p>Ensure that included Type C to Type C is used to charge this product. If it is not available, only a UL or ETL approved cable must be used to avoid removal of product warranty.</p> <p>Avoid extreme temperatures when using this device - both extreme cold and heat will adversely affect performance and longevity of TWS earbuds. While these TWS earbuds do have a sweat resistance rating, please keep this product out of direct water spray or submersion.</p> <p>Do not apply excessive force when inserting Type C port to charging case - ensure that orientation and alignment are correct, allowing for a fluid connection.</p> <p>1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:</p> <p>(1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.</p> <p>2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</p> <p>NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.</p> <p>This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.</p> <p>However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <p>Reorient or relocate the receiving antenna.</p> <p>Increase the separation between the equipment and receiver.</p> <p>Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</p> <p>Consult the dealer or an experienced radio/TV technician for help.</p> <p>RF warning statement:</p> <p>The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.</p> <p>6</p>	 <p>AT&T 4-Star Eco-Rating</p> <p>att.com/ecospace</p>  <p>Packaging is 100% recyclable</p> <p>All products impact the environment.
