

Hello

Thank you for choosing SimplySmart Sensors! You're about to experience the peace of mind that comes with being able to know who's coming in and out of your house at all times, and be alerted when they do! The self-aligning sensors stick to any surface so you can increase security in your home in a matter of minutes.

Simplest Install

Peel the tape liner off the back of the sensor and press onto any window or door frame - in one minute or less!

Window/Door Sensor Alarms

When the sensor is tripped, it signals the siren to ring and the ceiling camera to record activity.

Portable & Renter Friendly

Without making any permanent changes to your home, easily arm your windows & doors in your current home, and then take your sensors with you when you move to your next residence!

Long Battery Life

With over a year of battery life, you won't have to worry about changing the batteries.

Connect Your Sensors

1

Download the Switchmate App on Google Play or Apple App Store. Once downloaded, open the app.

2

Position and Mount your self-aligning sensors wherever you choose on a window or door frame. Use the pre-installed Command™ strip on the back of the sensors to mount the sensors on any surface.

3

Pull the "Pull" tab on the sensors to activate the pre-installed batteries.

4

Tap "Add Device" and select "Sensors".

5

Pair to your sensors by following the instructions in the App.
