| <p>Solder<br/>Board-Component<br/>View 4</p> |  A photograph of a small, rectangular printed circuit board (PCB) component, likely a solder bridge or connector, resting on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The component has a gold-colored surface and a small red wire connected to it. The text "Solder Board-Component View 4" is printed on the left side of the image.  |
| <p>Solder<br/>Board-Component<br/>View 5</p> |  A photograph of a small, rectangular printed circuit board (PCB) component, likely a solder bridge or connector, resting on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The component has a gold-colored surface and a small red wire connected to it. The text "Solder Board-Component View 5" is printed on the left side of the image. |
