Good Afternoon, Miranda,

It would be helpful if we could have a cover letter stating the questions and answering them, the letter should be signed by Steve as he is the US agent.

As for item 3 the FCC ID in question is FCC ID 2AIDW-ZZ-H-1-004 for applicant Shenzhen Zero Zero Infinity Technology Co., Ltd..

Thank you in advance for your response. We appreciate your support on this!

Hi Daniel,

1. Yes, it is a valid physical US mailing address.

2. Yes, we can be legally served at our address.

As for 3, could you please provide a format? We represent different FCC IDs, so I am not sure which grantee is the FCC asking for.

Thanks,

Hello,

We received the following from FCC regarding FCC US Agent LLC. Could you assist with providing evidence to question 1, 2 and confirm 3. Preferably via a cover letter. We need to reply to FCC by March 13.

“Hello, Thank you for providing a new ASOP for this filing. If possible, please provide detailed responses to the following questions by 3/13/2025: 1. Is the address of the agent a valid physical US mailing address (not a US post office box, not a virtual mailbox, not P.O. Boxes, not a vacant lot, not a public building, etc.)? 2. Is the agent physically located at that valid US address such that the agent can be legally served at that address? 3. Has the listed agent clearly agreed in writing to serve as the agent for the grantee at that address?”

Thank you.
