Subject: Class II Permissive Change request for:

- DELTA Dansk Elektronik Lys & Akustik
- FCC ID 2AIG4-MOD1

26 August 2016

Gentlemen,

To Whom It May Concern:

This letter serves as an official request of Class II Permissive Change under FCC Rule, 47 CFR Part 2, Subpart J (Specific rule part §2.1043).

This is to request a Class II Permissive Change for FCC ID 2AIG4-MOD1 originally granted on 12 July 2016

The major change filed under application is:

Change 1:

The radio frequency radiation exposure evaluation is change from mobile device (§2.1091) to a portable device (§2.1093) as well as a statement with reason for categorical exclusion from routine environmental evaluation in terms of RF exposure.

Change 2:

2AIG4-MOD1 is change to be compliant with the requirement for RF exposure in US with a minimum 80 mm separation distance between the user and/or bystander of the device in a portable environmental, Head and body and 35 mm separation distance between the user and/or bystander of the device in a portable environmental, extremity / limp worn.
