Re: FCC ID: 2AIKAW41503716

To Whom It May Concern:

The following application is submitted on behalf of our client, European American Armory, for evaluation of their model CC3200MODR1M2AMOB for class II permissive change under FCC Part 15.247.

The European American Armory, Model CC3200MODR1M2AMOB, is a wifi module.

The purpose of this class II permissive change is to add SAR to the grant.

The CC3200MODR1M2AMOB was evaluated against simultaneous transmitter co-location and SAR requirements. The CC3200MODR1M2AMOB was found to be in compliance to the requirements.

Sincerely,
