Compliance Information

FCC Information
This device complies with Part 15 of the FCC Rules.
Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.
Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
– Reorient or relocate the receiving antenna.
– Increase the separation between the equipment and receiver.
– Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
– Consult the dealer or an experienced radio/TV technician for help.

Radiation Exposure Information
The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

WARNING Li-ion Battery Inside
This product is fitted with a Li-ion battery. Do not damage, open, or dismantle the battery and do not use it in damp and/or corrosive conditions. Use only with compatible chargers. Never dispose of batteries in a fire, and never expose them to high temperatures. Do not expose the product to temperatures exceeding 60°C (140°F).

Rating Label Definitions

⎓ Direct current symbol.

🗑 This symbol signifies the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment.

BC This symbol signifies and declares that this equipment has battery charging which complies with California CEC and energy efficiency.

❈Bluetooth This symbol signifies that this is a wireless device powered by Bluetooth® technology. The Bluetooth® word mark and logos are registered trademarks owned by the Bluetooth SIG, Inc. and any use of such marks by Southern Telecom is under license.

Getting Started

Charging the Speaker
Attach the small connector of the supplied micro-USB cable to the USB charging port on the side of the speaker. Attach the large connector to the USB port on a computer, a USB charging device, or a **5V USB adapter** *(not included)* and plug into an electrical outlet.

The LED indicator will **turn RED** while charging and turn off when fully charged. When low on power, a tone will be heard, indicating that the speaker should be charged.

When finished charging, press the protective seal back into place.

Powering ON/OFF
• Press and hold the **[⏻]** button to power the speaker ON.
• When powered ON, the speaker will automatically reconnect to the Bluetooth device it was most recently paired to, so long as that device is within connection range (30 ft.) and Bluetooth is enabled.
• Press and hold the **[⏻]** button to power the speaker OFF.

Playing Music
To listen to music on your speaker, make sure it is paired to a Bluetooth-enabled device. For more on pairing the speaker to your device, please consult the **Bluetooth Pairing** section of this instruction manual.

Once paired, you can control media playback and volume adjustment with the controls on your paired device or the controls on the speaker.

Bluetooth Pairing
1. Power the speaker ON. A tone will be heard and the LED indicator will **quickly flash BLUE**.
2. Set your mobile device to search for Bluetooth devices. When it appears, select **AR4189** from the list of found devices.
3. Once successfully paired, a tone will be heard and the LED indicator will **turn solid BLUE**.

Adjusting Playback & Volume
• Press the **[⏯]** button to pause/resume playback. The LED indicator will **slowly flash BLUE** during playback.
• Press the **[⏮]** and **[⏭]** buttons to skip tracks.
• Press and hold the **[⏮]** and **[⏭]** buttons to adjust volume.

Phone Calls
• Press the **[☎]** button to answer an incoming phone call.
• Press the **[☎]** button again to end the phone call.
