

Annex B.iii. Photograph: Test Setup Photo

 A photograph showing the front view of the conducted emissions test setup. A large speaker system is mounted on a wooden platform, with a laptop and a small device nearby. The background shows a white wall and some equipment on the floor.	 A photograph showing the side view of the conducted emissions test setup. The speaker system is shown from the side, with its internal components and wiring visible. A power strip and some cables are on the floor in the background.
Conducted Emissions Test Setup Front View	Conducted Emissions Test Setup Side View
 A photograph showing the radiated spurious emissions test setup for frequencies below 1GHz. A speaker system is mounted on a wooden platform, with a laptop connected to it. The setup is positioned in front of a white anechoic chamber. A red and white antenna is mounted on a stand to the right of the speaker.	 A photograph showing the radiated spurious emissions test setup for frequencies above 1GHz. A speaker system is mounted on a wooden platform, with a laptop connected to it. The setup is positioned in front of a white anechoic chamber. A blue and white antenna is mounted on a stand to the right of the speaker.
