Conducted Emissions - Side View-Charger

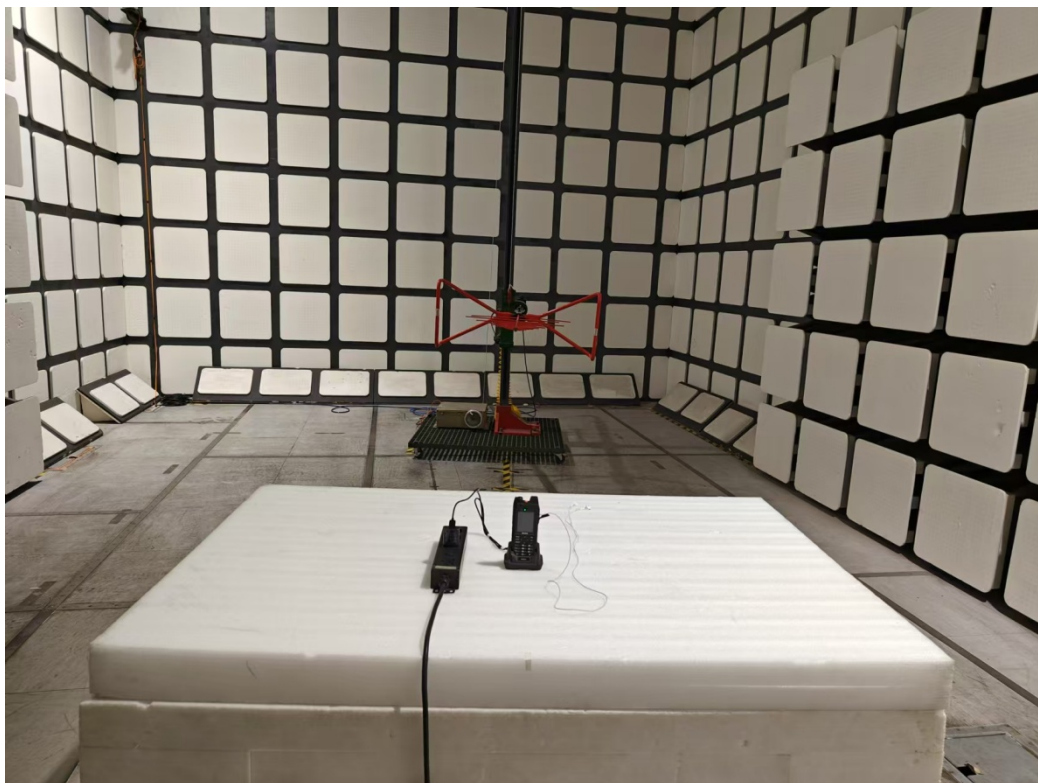

A photograph showing a black mobile phone lying on a worn, light-brown wooden surface. A black cable is plugged into the bottom of the phone, extending towards a black power strip. The power strip is also on the wooden surface and has a small black device plugged into one of its outlets. In the background, a white electrical outlet is visible on a wall, with several white and black cables plugged into it. The floor is a light-colored, polished surface.
