

LIVV

Instruction Manual

Headset Overview:

On/Off Multi-Function Button

Connecting Headset to Device

To use the LIVV™ Headset with a Bluetooth Device (such as a smartphone, tablet, or computer), you must first establish a wireless connection between the Headset and the intended Device. This process is called "Pairing".

Pairing

The Headset must be off and within close proximity of the Bluetooth Device to complete pairing.

1. Press Multi-Function Button for 7 seconds until you hear “Pairing” and the LED alternately flashes red and blue.
2. Activate Bluetooth on your intended Device.
3. Search for new Devices.
4. From the Device Search Menu, select “LIVV”. If necessary, enter four zeros (0000) for the passcode and accept connection.
5. Once successfully paired, you will hear “Pairing Successful” and the LED will flash blue, once every two seconds indicating the Headset and Device are connected.
6. The Headset may be paired to additional Bluetooth Devices using the above procedure.

Once the Headset and Bluetooth Device have been paired, the Headset and Bluetooth Device will automatically reconnect the next time they are both powered on and in close proximity to each other.

MP3 Player

Press LIVV™ button for 3 seconds until you hear “MP3 On”. This will activate MP3 Player. To switch back to streaming audio, press LIVV™ button for 3 seconds until you hear “MP3 Off”.

IMPORTANT SAFETY INFORMATION

Use Responsibly

Do not use headphones when it is unsafe to do so: while operating a vehicle, crossing the street, or during any activity or in an environment where your full attention to your surroundings is required.

It's dangerous to drive while wearing headphones, and in many places, illegal because it decreases your chances of hearing life-saving sounds outside of your vehicle, such as another car's horn and emergency vehicle sirens. Please avoid wearing our headphones while driving.

Listen Responsibly

To avoid hearing damage, make sure that the volume on your music player is turned down before connecting your headphones. After placing the headphones in/on your ear, gradually turn up the volume until you reach a comfortable listening level. Noise levels are measured in decibels (dB); exposure to any noise at or above 85 dB can cause gradual hearing loss. Monitor your use; hearing loss is a function of loudness versus time. The louder it is, the less time you can be exposed to it. The softer it is, the more time you can listen to it.

To prevent possible hearing damage, do not listen to high volume levels for long periods.

This decibel (dB) table compares some common sounds and shows how they rank in potential harm to hearing.

Sound	Noise Level (dB)	Effect
Whisper	30	Very Quiet
Quiet Office	50-60	Comfortable hearing levels are under 60 dB
Vacuum Cleaner, Hair Dryer	70	Intrusive; interferes with telephone conversations
Food Blender	85-90	85 dB is the level at which hearing damage (8 hr) begins
Dustbin Lorry, Cement Mixer	100	No more than 15 minutes of unprotected exposure recommended for sounds between 90-100dB
Power Saw, Drill	110	Regular exposure to sound over 100 dB of more than 1 minute risks permanent hearing loss.
Rock Concert (Varies)	110-140	Threshold of pain begins around 125 dB.

FCC STATEMENT:

This equipment has been tested and found to comply with the limits for a Class B digital devices, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interferences in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that the interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by the one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution:

To assure continued compliance, any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. (Example - use only shielded interface cables when connecting to computer or peripheral devices).

FCC RADIATION EXPOSURE STATEMENT

This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

- (1) The device may not cause harmful interference, and
- (2) This device must accept and interference received, including interference that may cause undesired operation.

CAUTION

Any changes or modifications not expressly approved by the party responsible for the compliance could void the user's authority to operate this equipment.

Warning: Do not expose LIVV Pro Headphones to excessive heat.

CANADA STATEMENT

This device complies with Industry Canada RSS-247. Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Le manuel d'utilisation des appareils radio exempts de licence doit contenir l'énoncé qui suit, ou l'équivalent, à un endroit bien en vue et/ou sur les appareils :

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

IC Radiation Exposure Statement:

This equipment complies with IC RSS-102 radiation exposure limits set forth for an uncontrolled environment.

Déclaration d'exposition à la radiation:

Cet équipement respecte les limites d'exposition aux rayonnements IC RSS-102 définies pour un environnement non contrôlé.

DECLARATION OF CONFORMITY STATEMENT

LIVV Brand, LLC hereby declares that this product complies with the essential requirements and other relevant provisions of the guidelines.

Disposal Statement

This symbol on the product or on its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment.

Limited Warranty

Your LIVV Brand product is warranted against defects in materials and workmanship for a period of one (1) year from the date of original retail purchase from an authorized LIVV Brand dealer. If a defect exists, LIVV Brand at its option will (1) repair the product at no charge using new or refurbished parts, (2) exchange the product with a functional equivalent product this is new or refurbished, or (3) refund the original purchase price. This does not mean you can abuse your headphones and expect this warranty to cover it. Normal wear and tear, blown speakers, cut cords, bent jacks, scratches, loss or theft is not covered. This warranty excludes damages resulting from abuse, accident, modifications or other causes that are not defects in material and workmanship. Customization of your headphones will void your warranty.

Any recovery is limited to the original purchase price. No other person is authorized to modify this limited warranty. Your seller is responsible for any other warranties.

This warranty gives you specific legal rights, and you may have other rights that vary by state and jurisdiction. These rights shall not be affected by this limited warranty. This warranty cannot be transferred or assigned.

To obtain warranty service, contact LIVVBrand at sales@livvheaphones.com

Proof of purchase is required.
