26 Jun 2016

Equipment Authorization Division
Office of Engineering and Technology
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Dear Sirs:

LAVME Inc requests acceptance of the labeling proposal described below for **Zentoy** bearing FCC ID: **2AIVH-GC730692**.

The subject **Zetnoy** model as shown in **Figure 1**, authorized under FCC Part 15 Subpart C

Figure 1.

LAVME Inc
3500 S.Dupont Hwy, Dover, 19901, Delaware, USA

The surface of the device is not enough to indicate the FCC statement. For this reason, **LAVME Inc** proposes those statements to be shown on the user manual and the device to carry the FCC ID number only.

Figure 2. is showing the FCC ID llocation.

Figure 2.

Sincerely,

LAME Inc
