	Title:	WSN 1.5 Processing Board - Labelling			Doc #: 01044070
	Author:	Andrew Hodge	Origin Date:	10/04/2020	Issue: 2
	Release/Change Approval:	ECO <No.>	Release Date:	<Date>	

A WSN1.5 Processing Printed Circuit Board Assembly (PCBA) is identified with a product tracking sticker located under the conformal coating applied to the PCBA as shown below:

The part numbers on the labels for production boards will be either:

08000525 WSN1.5 Processing Board Low Range

or

08000537 WSN1.5 Processing Board High Range
