

## Antenna Info

Medamonitor LEVL Device

FCC ID: 2AJ3SLVL10

Manufacturer: N/A – custom PCB antenna

Model: N/A – custom PCB antenna

Gain @ 2402MHz-2480MHz: -0.53 dBi peak (tested as bare PCB), -1.91 dBi peak (tested within device enclosure)

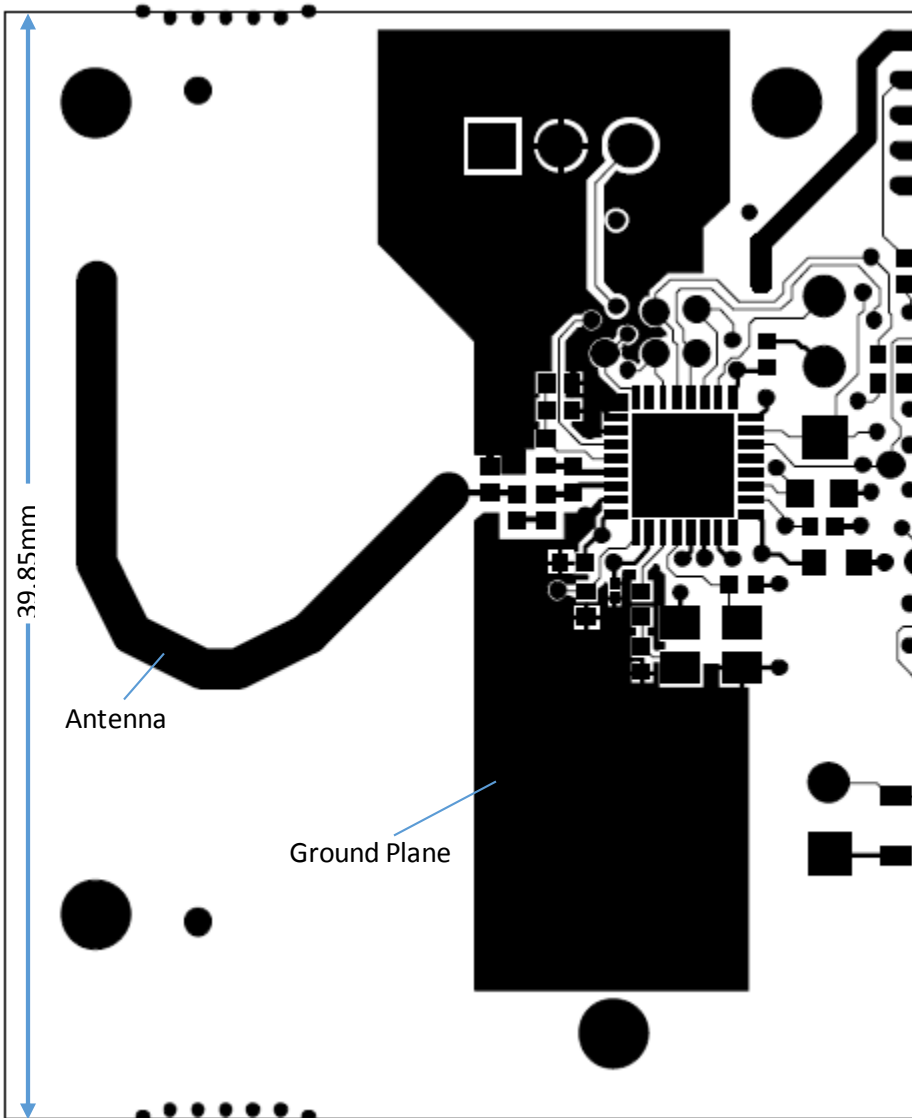

Description: Quarter wavelength dipole etched on custom printed circuit board

## Antenna Cable Info

Manufacturer: N/A – custom PCB antenna

Model: N/A – custom PCB antenna

## Antenna Drawing

## Antenna Photograph

## Compliance with FCC Part 15.203

The PCB etched antenna is permanently attached.
