Quick press - Answer/end call
Long press - Power ON/OFF
- 3. [-] Button: Quick press - Skip to previous track
Long press - Decrease volume
- 4. LED Indicator

Side

- 5. Micro USB Charging Port

Charging the Earbuds

Remove the rubber protective seal on the side of the earbuds. Attach the small end of the micro USB cable to the USB port. Connect the large end to your computer or other USB charging device/ 5V adaptor. The LED indicator will turn solid RED while charging and turn BLUE when fully charged.

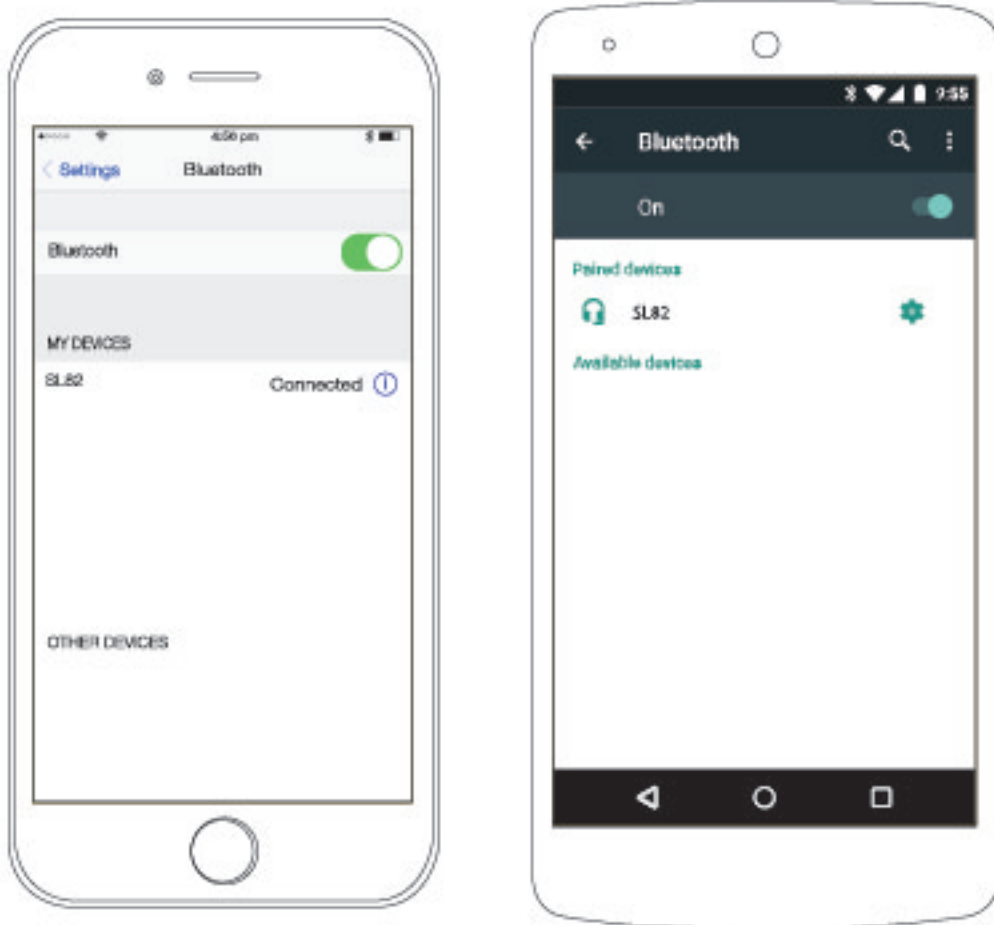

i Make sure you charge the earbuds for at least 1 to 2 hours before using it for the first time.

Pairing the Earbuds

- 1. Long press the [Power] button on the side of the earbuds. A voice will be heard and the LED indicator will flash RED and BLUE.
- 2. Set your mobile device to search for Bluetooth devices. When your mobile device finds the earbuds, select SL82 from the list of found devices.
- 3. After a successful pairing, a voice will be heard and the LED indicator will slowly flash BLUE.

On iOS or Android Devices

- Go to SETTINGS > BLUETOOTH (Make sure Bluetooth is turned ON)

i The screenshots above are typical of many Bluetooth-enabled devices in the market today and are used to assist in the explanation of the pairing process. Your Bluetooth-enabled device's interface and interaction with the earbuds may differ slightly from the illustrations above.

Using the Earbuds

Powering ON/OFF

- Long press the [Power] button to turn the earbuds ON/OFF. NOTE: The earbuds will go into sleep mode after a period of inactivity. While in sleep mode, the LED indicator will flash BLUE intermittently. To wake the device press the [Power] button.

Phone Calls

- To answer/end a phone call quick press the [Play/Pause] button.
- Double press the [Play/Pause] button to redial the last number called.

Adjusting the Volume

- Long press the [-] and [+] buttons to decrease and increase the volume of on the earbuds.

Playing Music

To enjoy music wirelessly on your earbuds, make sure that they are properly paired to your Bluetooth-enabled device. If you are pairing the device for the first time, please consult the "Pairing the Earbuds" part of this user guide.

- Quick press the [Play/Pause] button to play/pause the music playback.
- Quick press the [-] and [+] buttons to skip to the previous or next tracks.

i You may adjust the volume from both the wireless earbuds and your Bluetooth-paired device.

Legal Information

READ THIS CAREFULLY AND SAVE

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Limited Warranty

This product as supplied and distributed new by AIT, Inc. ("AIT") to the original consumer purchaser is warranted by AIT against defects in material and workmanship for a period of one year from your date of purchase ("Warranty"). In the unlikely event that this product is defective, or does not perform properly, you may within one year from your original date of purchase return it to the authorized service center for repair or exchange.

TO OBTAIN WARRANTY SERVICE:

- Call the Customer Support number located below, or go to our website portal to receive an SRO number.
- Provide proof of the date of purchase within the package (Dated bill of sale).
- Prepay all shipping costs to the authorized service center, and remember to insure your return.
- Include a return shipping address (no P.O. Boxes), a telephone contact number, and the defective unit within the package.
- Describe the defect or reason you are returning the product.

Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective. Products received damaged as a result of shipping, will require you to file a claim with the carrier.

The shipping address of the authorized service center is:

Customer Service Dept. 36
c/o Southern Telecom
400 Kennedy Drive
Sayreville NJ 08872
