

**10inch Clear Tablet**

**IDS-K61W**

**User Manual**

## Specifications

WIFI: 802.11b/g/n

Support: OFDM,DSSS

Sensitivity: -80dBm<0.1%BER

Working distance: 20M

Working frequency: 2.412 -2.462GHZ

Audio performance: SBC decoding

Battery: 3.7V/7500mAH built-in rechargeable Li-on battery

Charging voltage: DC5V 2000mA

Charging time: about 4 hours

Working currency:  $\leq 150\text{mA}$

Standby currency:  $< 500\mu\text{A}$

Working temperature:-40°C to +85°C

Play time: about 2 hours

Standby time: about 10 hours

## Function Introduction

1. Power on: press  for on side, voice prompts "Power on".
2. Power off: press  for off side, voice prompts "power off".

## Pairing

1. Touch and pull down the status bar to display it.
2. Touch again the bar to reveal the quick settings.
3. Select the WiFi icon  to activate the WiFi connection 
4. Select "WiFi" below the WiFi icon.
5. Touch the name of network you want to connect to. Private networks are shown with a lock icon and will require you to enter your password.

## Notice

Please charge the Bluetooth headset when voice prompts  
"Battery in Low" .

This equipment has been tested and found to comply with the limi  
for a Class B digital device,

pursuant to Part 15 of the FCC Rules. These limits are designed to  
provide reasonable

protection against harmful interference in a residential installation.

This equipment generates

uses and can radiate radio frequency energy and, if not installed ar  
used in accordance with

the instructions, may cause harmful interference to radio  
communications. However, there is

no guarantee that interference will not occur in a particular  
installation. If this equipment does

cause harmful interference to radio or television reception, which c  
be determined by turning

the equipment off and on, the user is encouraged to try to correct interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

-- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two

conditions:(1) This device may not cause harmful interference, and this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment complies with FCC radiation exposure limits set for for an uncontrolled environment.

The device has been evaluated to meet general RF exposure requirement.
