DECLARATION

SUBJECT: FCC Application for FCC ID : 2AJH8LP007

This letter is to clarify the rating label's location which bear the FCC ID.

Why label is placed inside of the device??

It is due to the product design specifications.

How FCC ID or label will be readily viewable??

FCC ID printed on the main label is attached on inner paper tray together with other certification marks.

The end-user has to open the top cover every 10papers consumed to reload the new paper, then he or she can recognize the FCC ID inside the paper tray.

How FCC ID or label will be readily viewable at the time of the purchase.??

At the time of the purchase, the end-user can see the main label with FCC ID while loading papers for testing.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Graham Crawford'.
