

Model Confirmation Letter

We, Eulum Design LLC certify the product: Casambi BLE Module and model numbers: RFM-CSB-2, XEN-CSBM-1, 3300-00063, 3300-00064.

Their electrical circuit design, layout and components used are electrically identical with the following exceptions:

- Interface connector type
- PCB dimensions
- GPIO pins used from RF transceiver (nRF51822-QFAA)
- 3300-00063, 3300-00064 contains additional 3.3V regulator and 1000uf 6.3V electrolytic capacitor.
- 3300-00064 contains two 6.8V Zener diodes

Signature

A handwritten signature in brown ink, appearing to read "M. Worthington", written over a light blue rectangular background.
