

## Appendix D. Antenna Location

The separation distance for antenna to edge :

| Antenna                         | To Bottom of Laptop (mm) |
|---------------------------------|--------------------------|
| WWAN Main                       | < 5                      |
| WWAN Aux                        | < 5                      |
| WWAN MIMO and WLAN/BT Antenna 2 | > 200                    |
| WWAN MIMO 2 and WLAN Antenna 1  | > 200                    |

**Appendix D. SAR Test Setup Photos**

**Body Exposure Condition**

**Bottom of Laptop at 0 mm**

**Bottom of Laptop at 25 mm**
