

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	
<p>EUT View 2</p>	

<p>EUT View 3</p>	 A photograph showing the back of a black rugged electronic device. The device has a textured surface and a central circular lens. A ruler is placed horizontally below the device, showing measurements in millimeters. The ruler is marked from 0 to 100 mm. The device is positioned on a blue background.
<p>EUT View 4</p>	 A photograph showing the back of a black rugged electronic device, similar to View 3. The device is positioned on a blue background. A ruler is placed horizontally below the device, showing measurements in millimeters. The ruler is marked from 0 to 100 mm. The device is positioned on a blue background.

<p>EUT View 5</p>	 A photograph showing the back of a black rugged electronic device. The device has a central circular lens, a rectangular sensor area below it, and a gold-colored connector strip at the bottom. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
<p>EUT View 6</p>	 A photograph showing another back view of the same black rugged electronic device. This view shows the gold-colored connector strip more clearly, along with a small antenna-like structure on the right side. The device is positioned on a blue textured surface next to a black ruler with white markings, similar to the previous view.

<p>EUT View 7</p>	 A photograph showing the back of a black mobile phone. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally below the phone, showing measurements in millimeters. The phone's back features a central circular camera lens, a small LED flash, and a gold-colored charging port at the bottom. There are also some faint markings and a small antenna-like structure on the back.
<p>EUT View 8</p>	 A close-up photograph of the back of the mobile phone, focusing on the bottom half. The gold-colored charging port is clearly visible, along with the camera lens and flash. The phone is resting on a blue textured surface, and a ruler is visible at the bottom of the frame for scale.
