

Appendix D. SAR Test Setup Photos

Head Exposure Condition

Left Cheek, Test Separation 0 mm

Right Cheek, Test Separation 0 mm

Extremity Exposure Condition

Edge1, Test Separation 0 mm

Edge2a, Test Separation 0 mm

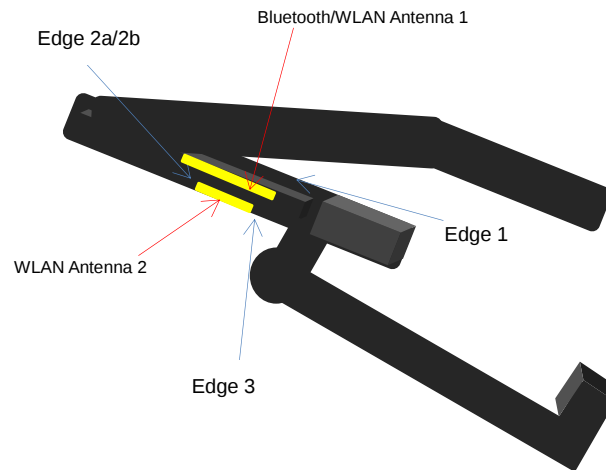

Edge2b, Test Separation 0 mm

Edge3, Test Separation 0 mm

Antenna Location

Note: Due to the raised camera near the antenna area, in order to get the antenna area closer to the Phantom, the camera was removed for Edge 2b, while for Edge 2a, the camera was not removed. For details, please refer to test setup photo.
