Subject: Request for Permanent Confidentiality

To whom it may concern:

In accordance with 47CFR Section 0.457 and Section 0.459 pertaining to confidential material, we hereby request to hold permanently confidential all information contained within the below identified exhibits/document categories submitted pursuant to radio equipment certification requirements for FCC ID: 2AJS4-RN-R1G1

1. Block Diagram
2. Operational Description
3. Schematics
4. Internal Photos
5. User Manual

The above material contains trade secrets and proprietary information as specified by 47CFR 0.457(d) and technical data, which would customarily be guarded from competitors. The public disclosure of this information might be harmful to our company and provide unjustified benefits to our competitors.

We are requesting that the internal photos be held confidential permanently. The devices are not accessible to the public as they are out of reach, behind panels or otherwise inaccessible. The devices are also installed in a controlled and supervised environment, where unauthorized access will be prevented. The devices are not sold commercially and are installed by professionals only in grantee facilities. Additionally, the user guide is only available to trained professionals under NDA that restricts disclosure of the information.

Any exhibit / information for which we have requested permanent confidentiality, but which may not be accorded such treatment by the FCC, should be returned to us.

Sincerely,

Brian Piquette
