Declaration Letter

We, JENCO ELECTRONICS, LTD., declare that the products labelled with FCC ID: 2AJSFARC7610 are fix programmed to only use 2.4GHz Wi-Fi channels 1 to 11. The products will be sold to some specific countries only, and we have separated SOP for production line for different countries. When the products produced for USA market, all the default parameters will be with hard coding. Therefore the products for USA market are only supported 2.4GHz Wi-Fi channels 1 to 11, and any third party cannot change it by any method.

Should you have any question or comment regarding this matter, please do not hesitate to contact me.

Sincerely Yours,

STEPHEN JEN-CHUEN/ General Manager
