

First Time User

Step-1 Start
Keep pressing the power
to start, and wait until
the system is power on.

Ha, I got it
turned on!

Step-2 Set user
Information
Sex, birthday then
press "next" to
complete.

Let's see how
to use it!

Step-3 Network
Choose "Join
network", if its
not connected,
it won't be
working properly.

Step-4 Set time
After connected to
Wi-Fi, system will
automatically adjust
the time, or change to
set time manually, after
completed then you can
enter the system for the
first time.

Yeah! Setup
complete! We now
can have fun
together!

Understanding U • Learning Robot

A.U run
carefully.

Wow, a cute
big carrot!

I found a little
worm....

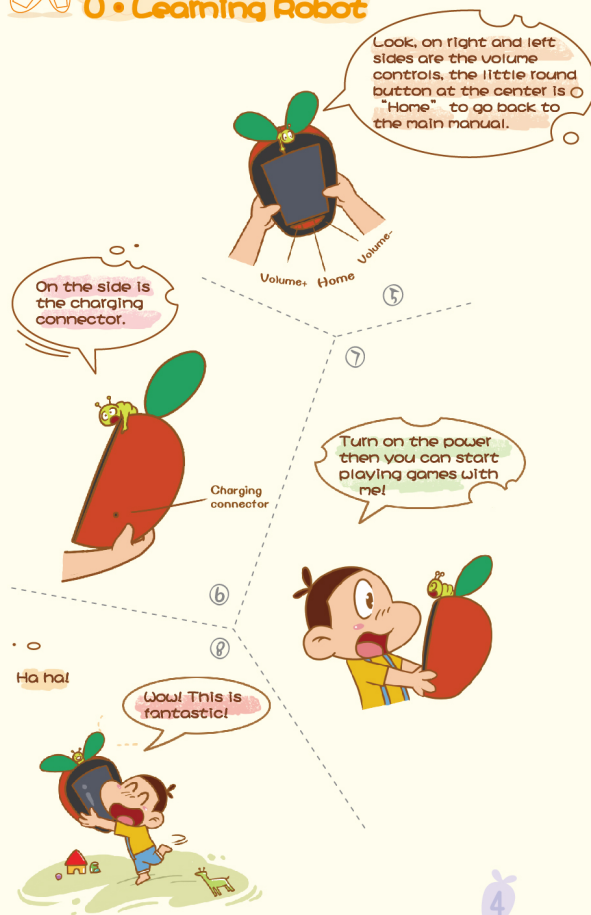

Don't twist me,
I am the camera!
Through my
mouth you can
see many
things.

Part 3 Limited Warranty Terms & Conditions

Warranty service is limited to normal usage only. However, for all the problems which have nothing to do with quality of the product itself and for any of the conditions listed below, the paid repair service will be provided:

1. Past the return and exchange period.
2. Main frame is damaged caused by negligence, misconduct or abuse. (e.g: used in the high-temperature or other extreme environments, food or liquid inlet, surface scratched or broken due to extrusion, impact, or falling, etc.)
3. Main frame is broken due to unauthorized repairs or maintenance in part or in whole.
4. Main frame is broken for used not according to instructions or due to incorrect or improper operations.
5. Damage due to unauthorized system refreshing.
6. Exterior parts of the main frame is abraded or worn out, such as shell, screen and keys.
7. Lost of receipt (unless the product is proven to be within the return and exchange policy period)
8. The Main frame model number has been painted, altered, scratched, causing scanning and recognition not functioning properly; main frame protective labels been removed or damaged.
9. Malfunctions or defects caused by other system problems.
10. Damages caused by force majeure (flood, fire, earthquake and lightning, etc.)

Part 4 Special Conditions

1. Malfunctioning products which are not covered by warranty service shall no more own the warranty rights and will be provided with paid service. Signing an authorized repairment agreement will be required for products with liquid inlet or severely damaged artificially.
2. Products which have quality issues and are damaged artificially shall no more own the warranty rights. However, paid services will be provided, and extra material fees and labor fees will be charged accordingly.
3. If a product has been repaired, its service warranty will remain for 30 days from the date it is repaired (90 days for the product with its mainboard replaced) with the exemptions of water damage and severe artificial damage.

In Compliance with Electronic Information Product Contamination Control Method Announcement

In accordance with Electronic Information Product Contamination Control Method (Demand 39 by Ministry of Industry and Information Technology of China), listing below are the names of toxic or harmful substances which the product components may possibly contain.

Toxic and Harmful Substances/Elements' Names and Contents Index						
Components	Toxic and Harmful Substances/Elements					
	Lead	Mercury	Cadmium	Hexavalent Chrome	Polybrominated Diphenyl	Polychlorinated Biphenyl (BFRs)
	(Pb)	(Hg)	(Cd)	(Cr ⁶⁺)	(PBB)	(PBDE)
Frame Parts/ Press Keys	○	○	○	○	○	○
Monitor	○	○	○	○	○	○
Circuit Board Parts**	✕	○	○	○	○	○
Battery	○	✕	○	○	○	○
Charger	○	○	○	○	○	○
Tools	○	○	○	○	○	○
Packing Materials	○	○	○	○	○	○

*: Frame Parts include bottom and exterior frame, glass, rubber plugs, decorative materials.

**: Circuit Board Parts include printing circuit board and its components such as resistor, capacitors, integrated circuit, connectors, sound receiver, speakers, motors and camera, etc.

○: Indicates contents of toxic and harmful substances within the component are under the limit set in the "Standard for limits of toxic and hazardous substances in electronic information products".

✕: Indicates the contents of the toxic and harmful substances within part or whole of the component exceeds the "Standard for limits of toxic and hazardous substances in electronic information products".

Remark: Parts/Components are based on final assembly.

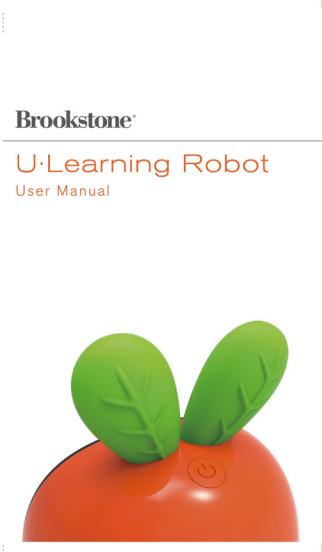

Dealer: Brookstone
Website: www.brookstone.com
Manufacturer: Hangzhou A.U Smart Technologies Co., Ltd.
Website: www.66uu.cn
Address: Room 2010, Building 20, 1399 Liangmu Road, Cangqian Subdistrict, Yuhang District, Hangzhou, Zhejiang, China
Factory: Shenzhen XWJ Technology Co., Ltd
Address: 5-6/F, Building No.3, Huahongxingtong industrial park, intersection of Road Genyu and Road Nanming , Guangming New district, Shenzhen, P.R.China.

Warning:
This device complies with part 15 of the FCC Rules. Operation is subject to the condition that this device does not cause harmful interference (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
FCC ID: 2AJVJ-U2

⚠️ Cautions for Children

- 1. Adult guidance is required for children under 3.
- 2. This product (including accessories) is made from non-toxic materials, but shall not be swallowed.
- 3. The touch-screen is made of glass material, and impact may cause broken glass injuries.
- 4. Using while charging is strictly prohibited for children. Charger should be placed where children can not reached.
- 5. The charging port shall not contacting any metal objects, otherwise the product may get short-circuited or damaged.

General Safety Tips

- 1. Do not put the product in extreme temperature environments.
- 2. The product is not water resistant, and shall be used on dry surface only.
- 3. Use only original charger and do not over-charge. Keep the product in room temperature when charging.
- 4. The product shall be kept away from heat, high-pressure and direct sunlight.
- 5. When cleaning, use clean cloth and gentle soap and wipe gently.
- 6. The charging port shall not contact any metal objects (except the adaptor and cable provided specially) to avoid getting short-circuited or damaged.
- 7. Only authorized technicians are allowed to install or repair this product, otherwise may incur danger and violate the warranty terms.
- 8. The USB port if for charging only.

FAQs

- Recognition Issues
 - 1. Make sure proper cards are used in proper games.
 - 2. Make sure that the product has adequate lighting while use.
 - 3. Inadequate lighting may cause improper recognition by the camera.
 - 3. Use only the white backing pad provided and have adequate lighting, otherwise it may affect the accuracy of recognition.
 - 4. Make sure all cards are placed within the white pad area without obstructions.
- Can not start up
 - 1. The power may drain during storage and transportation after the product leaves the factory. Please recharge.
 - 2. 100% charged takes approximately 4 hours.
- Connect Wi-Fi
 - 1. Press desktop "setting" for 3 seconds, enter setting.
 - 2. Select "network", enter Wi-Fi connections.
 - 3. Turn-on network , wait a few seconds, select network and press connect.
- Wi-Fi
 - 1. Check if the Wi-Fi signal is good. Try another place with a better signal.
 - 2. Try to reconnect device.
- Charging
 - 1. Replace the data cable or charger.
 - 2. Keep charging for 20-minutes or more.

After Service

For your safety and to best serve you:

- 1. Product meets domestic quality and safety standards.
- 2. Each product is tested by professional inspectors to make sure that all of its indicator meet safety standards.
- 3. We will be responsible for quality problems not caused by misused during the warranty period.
- 4. We warrant the product with parts replaced with original factory ones will function properly.

Part 1 Return and Exchange

- 7-Day Return Policy
 - If the product is in good condition and can be re-sold, buyer can apply to return product within 7 days with original receipt and warranty card and including all original parts in its original packing. Shipping costs shall be borne by buyer.

- 15-Day Exchange Policy
 - Within 15-days of first sold, and if for quality problems, buyer can apply to exchange the same product under the warranty, with original receipt and warranty card and including all original parts in its original packing. Shipping costs shall be paid by owner.

- 1-year free service
 - From the date of purchase, and under the terms and conditions of the warranty, we will provide one year free repair and maintenance service.

- Life-time repair and maintenance service
 - We provide repair and maintenance service to our products misused or after the warranty period expires for a standard fee.

- Under the following conditions cannot return or exchange
 - 1. Unauthorized retailers;
 - 2. Warranty expired;
 - 3. Quality issues caused by unauthorized repair or maintenance, misuse, impact, negligence, abuse, liquid inlet, accident, alteration, incorrect installation, etc; tear up or alter labels, S/Ns or anti-forgery tags;
 - 4. Lack of packing, accessories, gifts if any or instruction manuals, original receipt missing or altered;
 - 5. Damages due to force majeure.

- In addition
 - 1. Owner must provide original receipt for return of or exchange of product.
 - 2. Owner must have the product delivered to an authorized agent for repair and maintenance services before the 1-year period expired. If the expiration date falls on a national holiday, the expiration date shall be extended to the next business day.
 - 3. When repair and maintenance service is provided, all replaced parts are remained property of the seller.

4. Main Frame Malfunction Descriptions

Name	Malfunction
Main Frame	1. Functions listed in the manual do not work
	2. Cannot start, login or use
	3. Press-keys or touch-screen do not respond
	4. No sound or volume adjustment problems
	5. Shell cracks due to frame or material issues
Charger	Not functioning, factory cable not charging
Battery	Not functioning after charged over 80%

- 5. Please keep purchase receipts for proof of ownership in case of product return, including accessories and gifts (if any), and its original packing, otherwise costs will be deducted from original purchased price.
- 6. If main frame has been serviced, the service warranty term will remain for 30-day from date of service (main frame 90-day) or remain the same, whichever is longer.
- 7. The charger and data cable service warranty is for 1-year from the date of purchase.

Part 2 Return & Exchange

1. According to purchase location (country) policies

Location	Contact
Store	Please contact purchased store: Customer Service 1-800-846-3000

- 2. For return or exchange, please make sure you have enclosed the original warranty. If you have lost the warranty, please write in a separate paper your information including name, login account number, P/O number, model S/N, contact information and address, and requirements and reasons for return or exchange.
