

**FCC Statement**  
This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: 1) This device may not cause harmful interference, and 2) the device must accept any interference received, including interference that may cause occasional operation.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in particular installations. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device is measured RF output power is less than the SAR exclusion threshold value for human head and body. Therefore, SAR test is not necessary.

Capture Flow® warrants this product against defects in materials and/or workmanship under normal use for a period of One (1) Year from the date of purchase by the original purchaser. "Normal use" is defined as use and claims is limited within the Warranty Period of its repair. Capture Flow will either (1) repair the product or (2) provide store credit for the amount of the purchase price or (3) replace the product with a new product that is at least functionally equivalent to the original product, at its discretion, upon credit for the amount of the purchase price or (4) the original product. A replacement product or part is lacking and replacement and installed in accordance with instruction provided by Capture Flow, assumes the remaining warranty of the original product. When a product or part is replaced, any replacement item becomes your property and the replaced item becomes Capture Flow property. When a store credit is given, the original product must be returned to Capture Flow and becomes Capture Flow property.

Obtaining Service: To obtain warranty service, visit Capture Flow Limited Warranty Service at [www.captureflow.com](http://www.captureflow.com). Please be prepared to provide the product that needs service and the nature of the problem. A purchase receipt is required. All repairs and replacements must be made within 30 business days unless parts availability and response times will vary. You are responsible for delivery and the cost of delivery of the product or any parts to the authorized service center for replacement and/or repairs.

**Limits and Exclusions:** Coverage under this Limited Warranty is limited to the United States of America, including the District of Columbia and the U.S. Territories of Guam, Puerto Rico, and the U.S. Virgin Islands. This Limited Warranty applies only to products manufactured by Capture Flow that can be identified by the Capture Flow® trademark, trade name, or logo affixed to them or their packaging. This Limited Warranty does not apply to any non-Capture Flow products. Modifications or alterations made to the product after the purchase date void the warranty. In the purchase, but Capture Flow is not responsible for loss, provides these products to it. This warranty does not apply to: (a) damage caused by failure to follow instructions relating to products, use or the installation of components; (b) damage caused by accident, abuse, misuse, fire, flood, theft, vandalism or other circumstances; (c) damage caused by third parties; (d) damage caused by fire or a natural disaster; (e) Capture Flow off accessories used in conjunction with a covered product; (f) a product or part that has been modified or tampered with; (g) a replacement or a product that is not properly related to the purchase during the normal life of the product including, without limitation, failure or light bulb(s) of any product sold to or installed, when the product, when the product is installed and installed there, or to a product that is used commercially or for a commercial purpose.

CAPTURE FLOW SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT OR ARISING OUT OF ANY BREACH OF THIS WARRANTY, TO THE EXTENT PERMITTED BY APPLICABLE LAW. CAPTURE FLOW DISCLAIMS ANY AND ALL, INCLUDING OR IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND WARRANTIES AGAINST DEFECTS OR LATENT DEFECTS. IF CAPTURE FLOW CANNOT LAWFULLY OBTAIN A STATUTE OR MAKE A WARRANTY, THEN TO THE EXTENT PERMITTED BY APPLICABLE LAW, SUCH WARRANTIES SHALL BE LIMITED QUANTITATIVE TO THE DURATION OF THIS EXPRESS WARRANTY. Some states disallow the exclusion or limitation of incidental or consequential damages in this kind of limited warranty, but, in those instances, no limitations may not apply to you. This warranty gives you specific legal rights, and you may have other rights, which vary from state to state.

**Mighty Sound Bluetooth Speaker**  
CF-901V1

1. Hold the power button down for 5 seconds to power on or off
2. Pairing for the first time: Searching starts automatically after power up
3. Volume is controlled by the smartphone
4. In your device's Bluetooth menu, search for and select CF\_MIGHTY\_SOUND\_V1.1 for pairing
5. To change the connected device, hold down the power button for 1 second to enter pairing mode
6. To pickup calls using the hands free function, quickly press the power button. Press again to end call
7. The speaker's battery level will appear on the smartphone screen showing remaining power
8. The LED indicator will illuminate white while charging, and the light will go out when the speaker is fully charged. Charges in approximately 2 hours for up to 5 hours of listening enjoyment.

**Bluetooth 4.0 Class II** ,Support A2DP V1.2, AVRCP V1.4 profiles Protocol  
**Bluetooth Chipset:CSR8615**  
**Working Voltage(V):Electric Current(mA):3.7V/500mA**  
**Frequency Range (GHz):2.402 - 2.480 Modulation Mode: GFSK, FH4DQPSK, 8DPSK**
