RE: Transfer of FCC ID: KE3-3002511  
Transfer of IC: 2721A-3002511

On March 7, 2014 Radio Systems Corporation and LiteCure LLC entered into an asset purchase agreement where Radio Systems Corporation sold, transferred, conveyed, and assigned Radio System's rights in the PetSafe Stance Analyzer, bearing the FCC ID: KE3-3002511 and IC: 2721A-3002511, to LiteCure LLC.

The LiteCure LLC model: PRT000452, FCC ID: 2AJXW-PRT000452 and IC: 22002-PRT000452, is identical in design and construction to the originally approved model.

Radio Systems gives US Tech, Timco, the FCC and ISED Canada the authority to transfer the FCC and ISED Canada certifications to LiteCure LLC.

Sincerely,
