SUBJECT : CMITECH Co.,Ltd.
FCC ID : 2AJY5UMX-10
Model number: UMX-10
Class II Permissive Change
Orig. Grant Date : 10/13/2016

This is to request a Class II permissive change for FCC ID: 2AJY5UMX-10.

We'd like to add a new variant model (**EF-45N**).

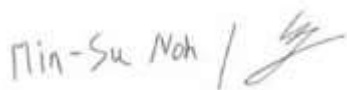

The following is the change from the original model:

- 1) Infrared sensors are added to the basic model (UMX-10).
All other internal components are the same as in the previous model.
The added part does not affect the wireless part of the product.

Due to the change, the internal photos, the schematics, block diagram and other technical documents are updated accordingly.

If you have any questions regarding this application, please feel free to contact me.

Sincerely,

Min-Su Noh/ Manager
CMITECH Co.,Ltd.
