

American Certification Body Inc.
6731 Whittier Ave, Suite C110, McLean, VA 22101, USA

An explanation of the photos shown in the accompanying document:

1. Module only, top, shield removed.
2. Module only, bottom.
3. Module fitted to antenna board, shield attached.
4. Module fitted to antenna board, shield removed.
5. Antenna board, bottom.

The module in photos 1 and 2 are the module for certification.

The additional board shown in photos 3, 4 and 5 are the authorized antenna used for the module. The antenna is the PCB track shown on the additional board. This additional board is available to the installer, as the authorized antenna.
