

C2PC Request

Date: October 2, 2022

To Whom it may concern,

Beartooth Radio Inc. requests a class 2 permissive change (C2PC) for module FCC ID 2AJY7011.

In the subject product, the FCC ID 2AJY7011 module is collocated with the FCC ID 2AJY7012.

In addition to colocation, the product is often used closer than 20 cm from the user.

Test data is provided to demonstrate that, as used in the subject product, both colocation and RF exposure requirements are met. Therefore, this C2PC is submitted for approval.
