Crown

Headstall

Coupler

Charger

Optional Accessories

ACCOUNT

1. <u>Register account</u>
   - Click **"REGISTER"** on the log-in page and follow prompts to create a username and password.

2. <u>Activate device</u>
   - Log into your account and select **"ADD NEW DEVICE"** within the device tab. Enter your Activation Code and the SSID/Serial # for your device, and select an annual monitoring contract by accepting the terms and conditions of the license agreement.

3. <u>Customize settings</u>
   - Log into your account to add horses, groups, and users, to assign a device to your horse, and to set alert thresholds. Please refer to the User Guide for complete instructions.
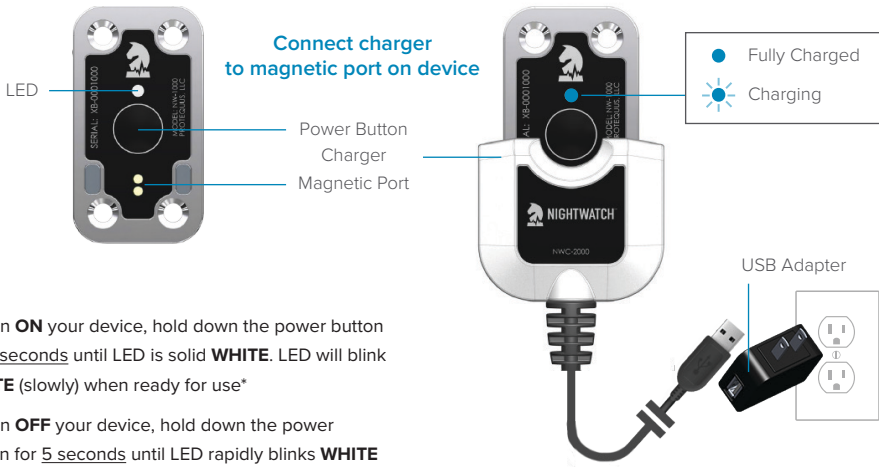

* Optional.

INSTALL MOBILE iOS APP*

1. Download the NIGHTWATCH® iOS app from the iTunes App Store[SM].

2. Log into the iOS app using the username and password you created when setting up your account.

Charger
Magnetic Port

● Fully Charged
☀ Charging

USB Adapter

- To turn **ON** your device, hold down the power button for <u>2 seconds</u> until LED is solid **WHITE**. LED will blink **WHITE** (slowly) when ready for use*

- To turn **OFF** your device, hold down the power button for <u>5 seconds</u> until LED rapidly blinks **WHITE** and then turns off*

- **<u>ALWAYS</u>** remove device from animal when charging.
- **<u>DO NOT</u>** charge within 20 cm of any person or animal.
- **<u>DO NOT</u>** charge device near any flammable substances.

Please refer to the User Guide for complete LED details.

CONNECT

Connect 2 Ways

Cellular

WiFi

CONNECT TO WIFI (<u>with</u> cellular)*

1. **Launch the NIGHTWATCH® iOS app** or access the Web Portal.

2. **Choose "connect to WiFi"** within device settings.

3. **Select preferred WiFi network** and enter the network password. Once connected, your device's SSID/Serial # will disappear. Repeat these steps to connect to a new WiFi network.
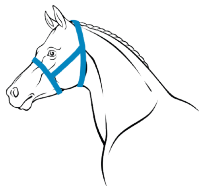

CONNECT TO WIFI (<u>without</u> cellular)*

1. **Turn OFF your device** and then hold down the power button for <u>5 seconds</u> until LED is solid RED.

2. **Enable WiFi** on any handheld device or computer within range (30-50 ft) of your device.

3. **Select your device** by its SSID/Serial # (ie, NW-XB-0001000) and enter the authorization code (contained within your shipping confirmation email) as the password.

4. **Go to** https://connect-nightwatch from a web browser and choose "connect to WiFi" within device settings.

5. **Select preferred WiFi network** and enter the network password.

* To maximize performance, connect your device to a WiFi network (if available) even when there is cellular coverage.
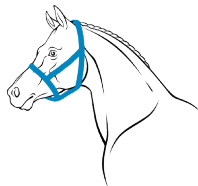

FIT

A LOOSE FITTING DEVICE MAY RESULT IN SKIN IRRITATION, IMPROPER OR INCONSISTENT RESULTS, AND/OR DAMAGE TO YOUR DEVICE. CONTACT CUSTOMER CARE IF YOU ARE UNSURE IF YOUR HALTER/COLLAR FITS PROPERLY.
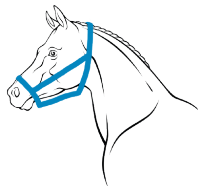

HALTER: Attach <u>crown</u> to <u>headstall</u> with ID plate appearing on left side of horse. Tighten and adjust double buckles on the headstall for a firm yet comfortable fit.

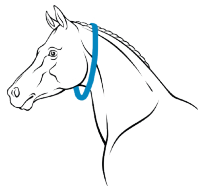

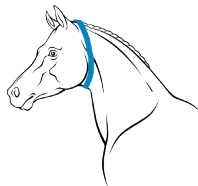

TOO **TIGHT**   **PROPER** FIT   TOO **LOOSE**

COLLAR: Attach <u>crown</u> to <u>coupler</u> with ID plate appearing on left side of horse. Tighten and adjust double buckles on the headstall coupler for proper fit.

BEND →   ← BEND

Firmly bend coupler with mesh inlay (for collar) to the contour of your horse's throat latch to prevent rotation or slippage over your horse's ears.
