Enterprise-grade 1D, 2D Scanner

iSAPPOS iPhone Jacket offers frontline workers high performance and accurate scanning experience.

It is achieved by incorporating enterprise-grade 2D scan engine from **Honeywell** that delivers high frame rate with high quality image sensor.

Compatible with Felica RFID Reader

Ideal for applications such as staff management, inventory tracking and contactless payment for retail businesses.

It supports Mifare/ISO14443A, B and C (Felica), so, you have the flexibility to use it for various applications.
