**RC301B** Model

Front of the sample

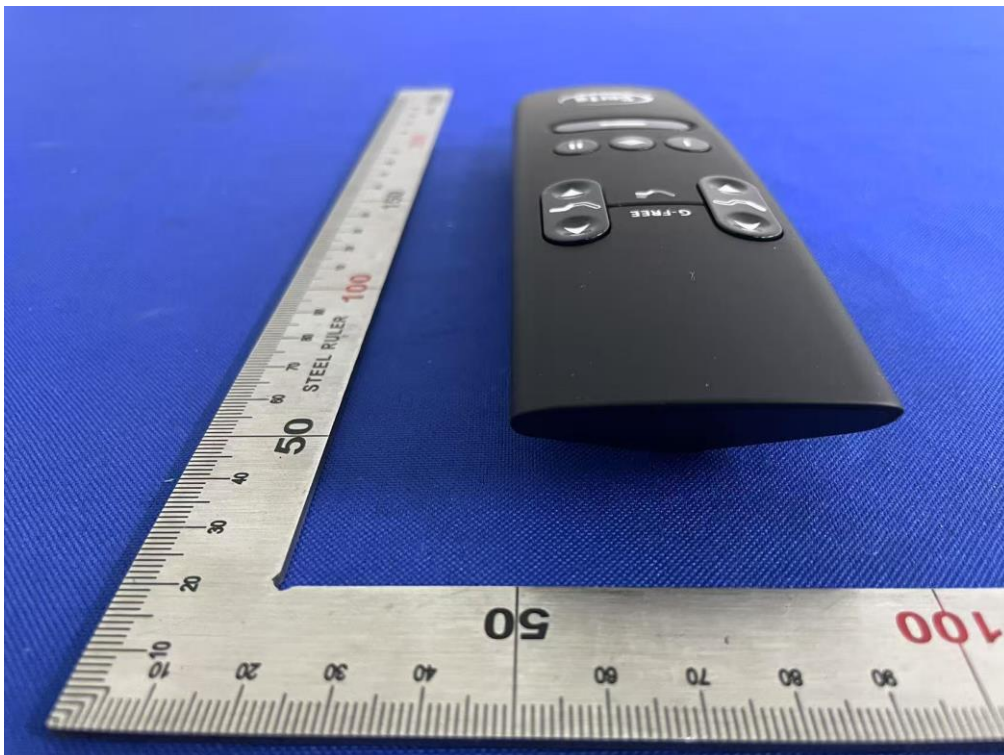

A black, ergonomic remote control is shown next to a metal ruler for scale. The remote has a silver 'Steel' logo on the right side. It features a directional pad with a 'G-FREE' label, a central button with a double arrow, and several other function buttons including a power button and a button with a double arrow. The ruler is marked in inches and centimeters, with the remote's length being approximately 10 inches.
