

FCC ID:2AK4IMLT-FURY-K

A photograph of a black printed circuit board (PCB) with various electronic components. The board is rectangular with irregular edges. It features two large circular connectors, one on the left and one on the right, both with orange and black markings. There are several smaller components, including resistors, capacitors, and integrated circuits. A ruler is placed horizontally below the board, showing measurements in centimeters (0 to 10) and millimeters (0 to 10). The background is a light blue surface.
