RE: New Certification – The Detection Group, FCC ID: 2AK4V-DT-552

This is an application for a new certification of The Detection Group, Model/HIVN: **DT-552**, FCC ID: **2AK4V-DT-552**. The DT-552 is an industrial (Class A) water detection device operating in the 902 – 928MHz band and has no other transmitter/transceiver. The device is not made available to the general public and requires professional installation. The device is powered by two primary lithium batteries and is non-rechargeable. The device was evaluated to, and found to comply with, 47 CFR §15.247. The compliance report and RF Exposure report accompany this application.

Should there be any questions or concerns with this filing, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that appears to read "Art Voss".
