### **Request for Special Confidentiality – FCC**

**FCC ID: 2AK5OAV1022-66002**

Pursuant to FCC 47 CFR 0.457(d)(1)(ii) and 0.459 and FCC guidance published in KDB 726920, we hereby request confidential treatment of information accompanying this application as outlined below.

We request the exhibits selected below as **long term confidential (LTC)** be withheld from public view permanently:

<b>Selection of exhibits for LTC (with NDA) <sup>1</sup></b>	<b>Exhibit name</b>
<input checked="" type="checkbox"/> Permanent (Long Term)	User's Manual
<input checked="" type="checkbox"/> Permanent (Long Term)	Internal Photos

Our user manual contains proprietary technical information intended solely for professional technicians bound by a Non-Disclosure Agreement (NDA). Any sale or distribution of the user manual must be subject to an NDA that restricts the disclosure of the information. Additionally, the circuit board and internal components are inaccessible to users and are serviceable only by designated professional technicians under NDA. All sales of these devices must be subject to an NDA that restricts the disclosure of proprietary information, including internal photographs.

Sample NDA is attached with this application.

Our company has invested significant resources in developing this innovative product, which is one of the industry's first of its kind. Public disclosure of the subject information could undermine our competitive advantage and lead to financial loss. Protecting the details of our design is essential to safeguarding our intellectual property.

The information provided contains trade secrets and proprietary information that is not typically disclosed to the public. Public disclosure of this information could harm the applicant and provide an unfair advantage to competitors. The applicant understands that, pursuant to Rule 0.457 (d)(1)(ii), disclosure of this application and all accompanying materials will not occur before the grant date.

Sincerely,
