3

WELT will keep record of your waist size, the number of steps you took, the amount of time for which you were sitting down, and how much you ate, to let you know how you are doing.
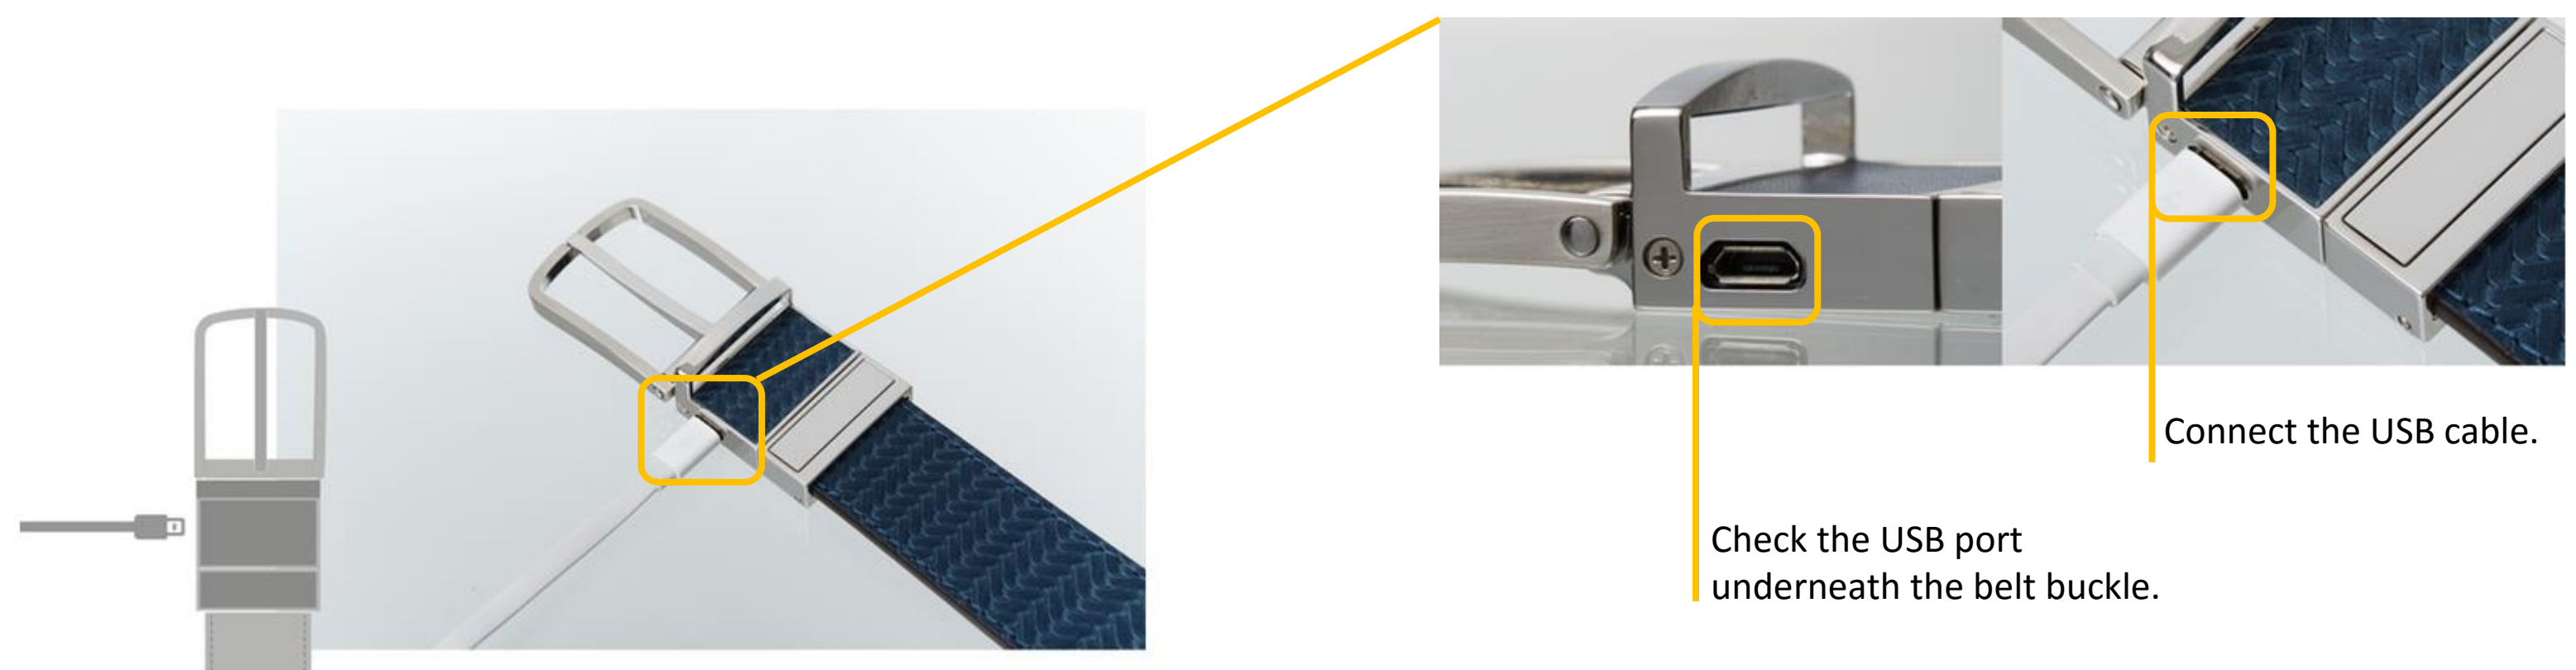

Touch Week for data on the past week.

Touch Today for today's data

By keeping track of your waist size, the number of steps you took, the length of time during which you were sitting down, and whether you ate in excess, WELT will help you to be healthy.
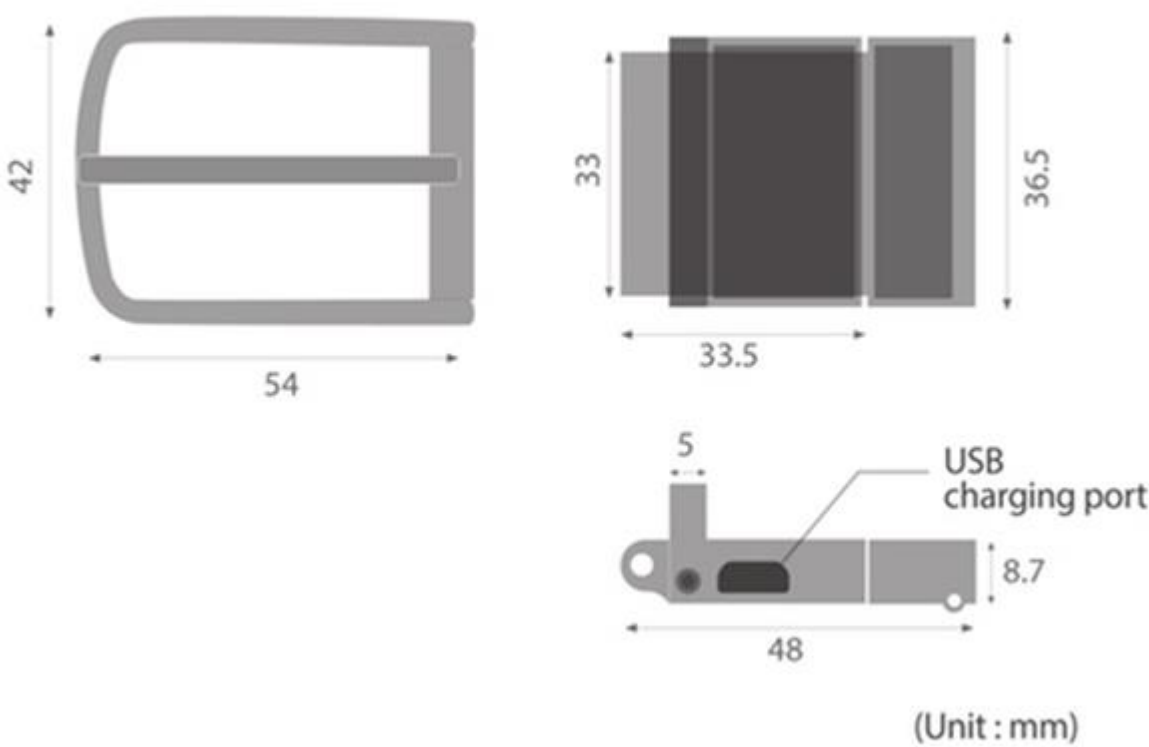

To analyze the information that has been stored for a week, to help the user health management.

6. Charging

Connect the USB cable.

Check the USB port underneath the belt buckle.
