Re: FCC ID: 2AKCY-0028000021

To Whom It May Concern:

The following application is submitted on behalf of our client, Cooper Lighting LLC, for evaluation of their model 0028-000021 for an original certification under FCC Part 15.247.

Device is a wireless adapter for use with lighting fixtures.

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
