

Declaration

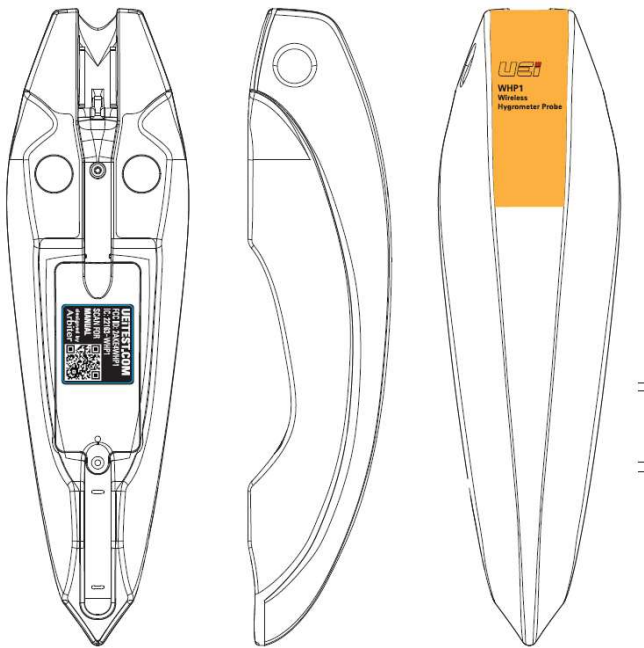

Dear Sir/Madam,

Re: Product Wireless Hygrometer Probe

Model no.: WHP1

FCC ID: 2AKE4WHP1

We, Universal Enterprises Inc. hereby declare that WHP1 label is pasted on the sunk position of battery cover which is screwed with product. It is not easy to disassemble it. When WHP1 is sold to end user, the cover is screwed so every user will find FCC ID easily at the very first sight. What's more, there is no better space to paste the label, see below photos.

Sincerely,

Handwritten signature of Isabel Kane.
