Bluetooth pairing

Charge earbuds fully before pairing for the first time.

1. Press power/play button for 5 seconds to turn on the earbuds and activate pairing mode. The LED light will flash in blue and red.
2. Activate Bluetooth on your device. Select Defunc MOBILE GAMING in the Bluetooth list. Blue LED light switches off when pairing is successful.
3. End pairing by selecting Defunc MOBILE GAMING in device Bluetooth list or by pressing power/play button for 5 seconds again until LED light flashes for 1 second.

After initial pairing, the headphones will automatically connect to the same device when turned on again and in device range.

Multi-point pairings

1. Disconnect the earbuds from the already paired device
 2. Restart the earbuds to reactivate pairing mode, pair with second device
 3. Re-enable Bluetooth on the first device to pair with it again
- If paired with multiple devices, open the playing application on desired device and close/pause playing applications on other devices.

Charging

Plug charging cable with USB-C port into the device and other cable end into power source.

Charging: Red light

Fully charged: Blue light
