

## defunc | GO

### OPERATION MANUAL

Bluetooth™

#### Dear Customer

Thank you for purchasing the Defunc BT GO Bluetooth® headphones. Please read this manual carefully and follow the instructions listed in order to optimize the use of your new headphone, and enjoy your music the way it was meant to be heard.

#### Features

- Bluetooth 4.1 technology with amazing sound
- Built-in microphone with echo cancellation
- Full controls for playback and calls
- Portable folding design
- 3.5 mm auxiliary input jack

The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc.

#### WHAT'S INCLUDED

Unpack the Bluetooth® headphones and make sure all accessories are put aside so they will not be lost.

1 Defunc GO Bluetooth Headphones

2 Micro USB Cable

3 Audio Cable

#### Important Safety Instructions

Please read all safety and operating instructions carefully before installation and use, and keep these instructions handy for future reference. Take special note of all warnings listed in this user's manual.

1. ATTACHMENTS - Do not use attachments not recommended by the manufacturer.
2. WATER AND MOISTURE - The unit should not be used near water. For example: near a bathtub, washbowl, kitchen sink, laundry tub, swimming pool or in a wet basement.
3. VENTILATION - The unit should be situated so that its location or position does not interfere with its proper ventilation. For example, it should not be placed on a bed, sofa, rug or similar surface that may block ventilation openings. Also, it should not be placed in a built-in installation, such as a bookcase or cabinet, which may impede the flow of air through the ventilation openings.
4. OBJECTS AND LIQUID ENTRY - Care should be taken so that external objects do not fall into and liquids are not spilled onto any openings or vents located on the product.
5. POWER SOURCE - The unit should be connected only to a power supply of the type described in the operating instructions or as marked on the unit. If you are not sure, please consult the dealer or local power company.
6. HEAT - The unit should be placed away from heat sources such as radiators, heat registers, stoves or other appliances (including amplifiers) that produce heat.
7. SERVICING - The user should not attempt to service the unit beyond those methods described in the user's manual. Opening or removing covers will expose you to dangerous voltage and other hazards. Service methods not covered in the user's manual should be referred to qualified service personnel.

#### Location of Main Unit Controls

1. ON/OFF / Pairing / Answer 2. Micro USB charging port  
3. 3.5 mm input port 4. Microphone 5. LED  
6. Previous song / Volume- 7. Play / Pause 8. Next song / Volume +

#### Operational Instructions

##### Charging

Charge your Defunc BT GO through any USB jack or wall charger. The LED indicator will turn red when charging. Before using for the first time, charge at least 4 hours with your Micro USB cable. After the first charge, the headset will charge in 2 to 3 hours and the LED indicator will stop blinking when the charge is complete.

Note: When the battery is fully charged, the LED indicator will switch off.

##### Power ON/OFF and Pairing

Press and hold the ON/OFF button for 1 second to switch the headphone on and to initiate the pairing. The LED will flash blue and red when the headphone is turned on and the pairing mode is on. Once this is done select "Defunc BT GO" among the discovered Bluetooth units on your device. If requested, enter the password "0000" to pair the headphone with your device. When connected you will hear a beep and your device will show "Paired".

Note: If the headset does not pair with another Bluetooth device in 3 minutes, it will turn itself off.

#### Making Phone Calls

##### Making a call

Once paired, use your mobile device to dial a number as usual. Once connected, the call will be heard on your Defunc BT GO headset.

##### Last number redial

Press the ON/OFF button to redial last number.

Note: For some mobile models, press the ON/OFF button twice.

##### Answer a call

When receiving a call, press the ON/OFF button to answer the call.

##### Ending a call

While talking on the phone, press the ON/OFF button to end the call.

##### Rejecting a call

While receiving a call, press and hold the ON/OFF button to refuse the call.

##### Volume control

Use the Volume + and Volume - buttons to adjust the volume level.

##### Call transfer

During a phone conversation, press the Play/Pause button to switch the call between the headset and the phone.

#### Listening to Music

##### Play/Pause

Press the Play button to launch the phone's music player and to start listening to music. While listening to music, press the Pause button to pause or to resume play.

##### Song Selection

While music is playing, press the Next Song or Previous Song buttons to select songs.

##### Answer a call while listening to music

When receiving a call, press the ON/OFF button to answer the call. Press the ON/OFF button while on the phone to end the call. When receiving a call, press and hold the ON/OFF button to reject the call. (Music will resume playing when the call is rejected.)

##### Volume control

Use the Volume + and Volume - buttons to adjust the volume level.

#### LED Indicator Chart

Status	LED Indicator
Powering ON	Blue and red lights flashing rapidly
Powering OFF	LED turns off
Low battery	Blinking red & headset emits a beep
Charging	Solid red
Pairing mode	Blue and red lights flashing rapidly
Connection complete	Blue light blinks every 3 seconds
Incoming call & on the phone	Blinking blue and purple lights
Playing music	Blinking blue light

#### Troubleshooting

Symptom	Solution
Music not streaming over Bluetooth	Make sure both devices are paired and connected over Bluetooth. Restart the Defunc GO to auto-connect with your Bluetooth device.
No power	Make sure the Defunc GO is fully charged.
Defunc GO does not answer phone calls	Make sure both devices are paired and connected over Bluetooth. Restart the Defunc GO to auto-connect with your Bluetooth device.
Music does not resume after ending a call	Press play to resume music.
Not able to control music from the Defunc GO	Make sure your mobile device supports Bluetooth A2DP profile.

#### Compliance with FCC regulations

##### Caution!

The user is cautioned that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. The equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate Radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to Radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to Radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
  - Increase the separation between the equipment and receiver.
  - Connect the equipment into an outlet on a circuit different from which the receiver is connected.
  - Consult the dealer or an experienced Radio/television technician for assistance.
- This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

#### THE SPECIFICATION AND EXTERNAL APPEARANCE OF THE HEADPHONES MAY BE SUBJECT TO CHANGE WITHOUT PRIOR NOTICE.

##### Limited Warranty

The Art of Utility AB warrants to the original purchaser that the product will be free from defects in material, parts and workmanship for the period designated for this product. The warranty commences the day the product is purchased and covers up to a period of one (1) year. The Art of Utility AB agrees that it will, at its option, replace the defective product with either a new or remanufactured headset equivalent to your original purchase during the warranty period. Should the Parts warranty period exceed the Labor warranty period, The Art of Utility AB will supply at no charge for the remainder of the Parts warranty, any new or remanufactured replacement parts as required by the product. During this period all labor and service charges will become the responsibility of the customer. **Exclusions:** This warranty does not apply to the appearance or exterior of the product which may have been damaged or defaced, altered or modified in design or construction. This warranty does not apply if the serial number is altered or removed, or if there is any damage due to power line surge, user damage to the AC power cord, connection to improper voltage source, general misuse, accidents, or repair attempts by unauthorized service agents. Other exclusions include ear pads, rechargeable and non-rechargeable batteries.

#### REPAIR OR REPLACEMENT AS PROVIDED UNDER THIS WARRANTY IS THE EXCLUSIVE REMEDY OF THE CUSTOMER; THE ART OF UTILITY AB SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT, EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW. ANY IMPLIED WARRANTY OF MERCHANTABILITY OF FITNESS FOR A PARTICULAR PURPOSE ON THIS PRODUCT IS LIMITED TO THE DURATION OF THE WARRANTY.

Some states do not allow the exclusion or limitations of incidental or consequential damages, or limitations on how long the warranty lasts. In these cases the above exclusions or limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

##### Obtaining service

To obtain service, product literature, supplies or accessories please call or visit our website, to create a ticket for exchange/repair. Please make sure to provide the date of purchase, model number and a brief description of the problem. Our customer service representative will contact you or send detailed return instructions. The Art of Utility AB does not warrant that the headset will work properly in all environmental conditions, and makes no warranty and representation, either implied or expressed, with respect to the quality, performance, merchantability, or fitness for a particular purpose other than the purpose identified within this user's manual. The Art of Utility AB has made every effort to ensure that this user's manual is accurate and disclaims liability for any inaccuracies or omissions that may have occurred. Information in this user's manual is subject to change without notice and does not represent a commitment on the part of Concept 101 LLC. Concept 101 LLC reserves the right to make improvements to this user's manual and/or to the products described in this user's manual at any time without notice. If you find information in this manual that is incorrect, misleading, or incomplete, please contact us through our website.

#### CAUTION

Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type. The battery shall not be exposed to excessive heat such as sunshine, fire or the like.

#### Bluetooth 4.1

- Bluetooth compatibility: Bluetooth 2.0 or above device with A2DP/AVRCP/HFP/HSP

- Working distance: Up to 30 ft.\*

\* Up to 30 ft. wireless range as determined by Bluetooth SIG.

Range may vary depending on the line of sight obstacles.
