Re: FCC ID: 2AKILBX090

To Whom It May Concern:

The following application is submitted on behalf of our client, Creed Monarch, Inc, for evaluation of their model BX090 for certification under FCC Part 15.247.

The Creed Monarch, Inc. Model BX090 is a drop-in tow brake with an electric actuator and advanced digital accelerometer. The device includes a 922.4 MHz LoRa transceiver which is co-located with a Bluetooth module (FCC ID: A8TBM71S2). The radios are not capable of operating simultaneously.

The BX090 was tested in full to the test requirements aforementioned and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive, flowing style.
