

Statement

We **Lumi United Technology Co., Ltd** is resuming the responsibility on the certified product for new product

Original model: CH-C07E, CH-C07D

Original Hardware version: V1.2

Original Software version: V4.1.6_0038.0015

New model: CH-C07E, CH-C07D

Original Hardware version: V1.4

New Software version: V4.3.6_0014.0017

We hereby state that the original model remains unchanged. Only two changes were made. One was the modification of the USB board, and the other was the addition of a power supply control circuit to the mainboard. Original test results continue to be representative of and applicable to the new product, We merely re-tested the spurious emissions items.

Your assistance on this matter is highly appreciated.
